Mission, Vision, and Philosophy

In 1886, St. John's College, Department of Nursing was founded by the Hospital Sisters of the Third order of St. Francis.

Their mission was to care for the sick and needy of the community in a spirit of joy, respect and commitment to competence. From that day to the present, the values and vision of the Hospital Sisters have underscored and directed the efforts of the faculty and students. The College provided education rooted in the spirit of St. Francis and St. Clare, demonstrating respect for all religious traditions, as well as diverse cultures and spiritualities.

Student/Faculty Relationships

The Faculty of St. John's College is committed to a caring philosophy and therefore values each student as a unique individual capable of choice and growth. It is in this context that this Handbook guides the personal interaction with faculty that is available to each student.

About St. John's College

St. John's College is a special focus upper division institution of higher learning dedicated to provision of baccalaureate education in the discipline of professional nursing. Students who have successfully completed a pre-professional, liberal arts component at another college or university are admitted regardless of race, color, religion, sex, national origin, ancestry, age, marital status, handicap or veteran status. The educational experiences at the college build upon prior learning to forge an immutable bond which is expressed in graduates who are inquisitive, articulate, creative and productive members of this diverse society.

The College is approved by the Illinois Board of Higher Education and the Illinois Department of Professional Regulation to grant the baccalaureate degree in nursing. It is also approved by the State Agency for Veterans' Benefits for the Montgomery G.I. Bill.

St. John's College is accredited to grant the baccalaureate degree in nursing by The Higher Learning Commission, 230 South LaSalle Street, Suite 7-500, Chicago, IL 60604-1413 (312) 263-0456. The nursing program is accredited with the Accreditation Commission for Education in Nursing (ACEN), 3343 Peachtree Road NE, Suite 850. Atlanta, Georgia 30326, (404) 975-5000, <http://www.acenursing.org>

St. John's College Mission

St. John's College is a Catholic institution of higher education dedicated to providing quality nursing and professional health degrees and programs, consistent with the Hospital Sisters of St. Francis' tradition that fosters the learner's spiritual, ethical, and professional development. The college is a special focus college accepting students who have successfully completed a pre-professional, liberal arts component at another college or university. Students are admitted regardless of race, color, religion, sex, national origin, ancestry, age, marital status, handicap or veteran status.

Vision Statement

St. John's College educates nurses and health professionals for innovative practice excellence and values-based leadership.

Values, Purpose and Philosophy

Our Values

St. John's College mission and vision are based on the following core values infused into all aspects of the college and consistent with the Hospital Sisters healing ministry:

Care:	includes wholism and stewardship
Competence:	includes innovation, leadership, and life-long learning
Joy:	includes spiritual growth
Respect:	includes justice

Our Purpose

In living its mission, St. John's College affirms that all human beings are created in God's image and therefore possess intrinsic value and dignity.

The purpose of St. John's College is to educate students who provide competent, caring, patient-centered professional services for a diverse population. The college provides an environment conducive to the intellectual, social, moral, spiritual and life-long professional development of graduates who can participate as citizens in this democratic society. The college engages in service and scholarship which advances the discipline of nursing and the provision of healthcare.

Our Philosophy

The educational philosophy of St. John's College, Department of Nursing is based on the premise that all human beings are created in God's image and possess intrinsic value and dignity. We believe baccalaureate nursing education provides a broad foundation in the sciences and humanities. This foundation assists in developing practitioners who can make critically reasoned decisions, care holistically, communicate effectively, practice professionally, and become contributing members of society.

The program goals for St. John's College, Department of Nursing are to:

- Prepare caring graduates to function as generalists in a variety of health care settings serving diverse populations.
- Foster the development of graduates who value lifelong learning and are prepared for graduate education.
- Facilitate personal and professional development enabling the graduate to contribute to the community.

Core Performance Standards

Outcome	Standard	Example Outcome Behaviors
Critical Thinking Ability	Utilize critical thinking to make competent clinical judgment	Formulate nursing care plans Recognize clinically significant changes in health status. Predict outcomes Calculate medication/dosages
	Able to use the scientific method to solve problems.	Effective in decision making Identifies priorities and selects course of action
Caring	Exemplifies good character.	Treats others with respect and dignity. Examines sensitivity to feelings of self and others. Abides by drug free and smoke free environment. Accountable for own actions.
	Able to perform skills sufficiently for monitoring and assessing environmental, safety, physical, and health needs.	
Communication	Auditory	Responses to verbal requests during emergency situations. Performs aspects of physical assessment which requires use of stethoscope. - heart, breath, lung sounds Responds to emergency alarms (fire alarms, call bells, monitor equipment)
	Visual	Detects physical changes Assesses changes in amount of body fluids (detects spills) Reads results of testing devices. Responds to emergency alarms.
	Olfactory	Detects potentially hazardous conditions Detects odors. Detects smoke
	Tactile	Palpates landmarks for assessment, medication injection or IV insertion. Detects temperature changes related to physical assessment. Determined presence, absence, or quality of pulses

Disclaimer:

This Handbook provides important information for students enrolled at St. John's College, Department of Nursing.

St. John's College reserves the right to make changes to the policies contained in the Student Handbook. Changes to the policies will be distributed via e-mail. It is each student's responsibility to understand and comply with the policies contained in this Handbook or within any appropriately communicated revisions.

Student Rights and Responsibilities

Students are responsible for knowing and abiding by the academic and social policies of the College published in the catalog and student handbook. Disciplinary action may be taken for violation of policies. Orientation is mandated for all students who attend St. John's College.

St. John's College upholds the NSNA Student Bill of Rights as revised in 1991 and 2006 available at: [Bill of Rights](http://www.nsna.org/Publications/BillofRights.aspx) (<http://www.nsna.org/Publications/BillofRights.aspx>). This Bill states that students have the right to;

- qualified instructors
- evaluate the performance of their teachers
- a curriculum that is relevant to the work situation
- voice and vote in determining the content of nursing curricula

Student Activities and Organizations

Activities/Community Life

Today, St. John's College, Department of Nursing offers three curricular options to students seeking a Bachelor's of Science in Nursing (BSN) degree. Each program is designed to prepare graduates for the complexities of nursing practice.

1. The General Admission Pre-Licensure BSN program is designed for students seeking a first-time baccalaureate degree.
2. The Accelerated Pre-licensure BSN program is designed for students who have completed a previous Bachelor's degree in another major.
3. The RN to BSN distance education program is designed for Registered Nurses seeking to complete a Bachelor's of Science in Nursing degree.

Students at St. John's College may participate in a variety of activities available in the community. Health and fitness programs, such as yoga classes, are coordinated for interested persons through the "Center for Living" at the Prairie Heart Institute of St. John's Hospital.

Springfield has a variety of parks in the community which provide many recreational areas, bike and walking paths, swimming pools, golf courses, ice skating, and tennis courts.

Formal education at St. John's College is complemented by opportunities for growth by participating in extracurricular activities with opportunities to increase communication skills, to engage in leadership skills, and to stimulate and broaden interests. Students have the opportunity to seek membership in student and faculty committees and to expand that professional involvement to a national, state and regional scope through participation in the National Student Nurse Association (NSNA) and the Illinois Student Nurses Association.

Student Government

Student Involvement in Decision Making

Students have an opportunity to participate in decision making in matters affecting their learning experience at the College through a variety of opportunities.

The Student Government of St. John's College, Department of Nursing is composed of all students enrolled in the College. The organization's focus is to promote personal and professional development and to serve as an avenue for student input into the programs and policies of the College. The organization through its officers and standing committees carries out such activities as social events, community service, and student communications.

Class Organization

The Junior and Senior classes are standing committees of the Student Government. Each class has its own officer, elected by class members. Officers consist of a president, vice-president, secretary and treasurer. Election is conducted by written ballot early in the fall. A simple majority vote is needed to win an election. Each class organizes and holds meetings as necessary to carry out class functions. Attendance is considered important to gain knowledge about College functions and give input for changes. Each class also has a class advisor, appointed from College Assembly.

Each class organization contributes to the mission of St. Johns College, Department of Nursing and serves to:

- Organize and carry out social and professional activities
 - Community Service projects
 - Fundraising projects
 - Social college activities
- Promote effective communication and college unity
- Provide input for student representatives of St. John's College and College Assembly Committees.
- Provide opportunities for students to engage in leadership activities

College Assembly bylaws establish relationships between faculty and student organizations. Students and faculty are both members of the Academic Affairs Committee and the Student Affairs Committee. Action by these committees and therefore the College Assembly are submitted to the College Board of Directors for action.

STUDENT GOVERNMENT OF ST. JOHN'S COLLEGE, DEPARTMENT OF NURSING

CONSTITUTION AND BYLAWS

PREAMBLE

We the members of Student Government of the St. John's College, Department of Nursing, being a student organization, do hereby acknowledge and state our acceptance of the general rules of the College outlined in the catalog and the student handbook, and in the directives of the college administration and faculty. We willingly accept the responsibility of Student Government in order to help one another become nurses who are mature, compassionate, and unselfish.

CONSTITUTION

ARTICLE I

Name

The name of this organization shall be the Student Government of St. John's College, Department of Nursing.

- Section 3. Order of Business
- a. Call to order
 - b. Roll call
 - c. Reading of minutes from previous Class meeting.
 - d. Reports from Student Representative on faculty committees:
 1. Academic Affairs
 2. Student Affairs
 - e. Report from Student Government Representatives
 - f. Unfinished business
 - g. New Business
 - h. Adjournment

Section 4. Standard business of each class

- a. JUNIOR CLASS ORGANIZATION

1. Plan and conduct at least one class Community Service Project.
 2. Co-organize and host with the Student Government a Fall/Holiday social activity.
 3. Plan and conduct at least one fundraising project to fund your Honor's Day celebration and/or other college approved projects.
- b. SENIOR CLASS ORGANIZATION
1. Plan and conduct at least one class Community Service Project.
 2. Plan and conduct at least one fundraising project. Sale of Sportswear is considered a senior fundraising project.
 3. Co-organize and host a first semester finals week luncheon with the Student Government.
 4. Provide input and assist in organization of senior pictures.
 5. Plan and host Senior Day at the Mother House.
 6. Assist advisors and administration in planning graduation.
 7. Finance senior members Honor's Day meal.
 8. Provide input regarding Honor's Day activities.
 9. Select with advisor assistance a gift to the College from the class.

ARTICLE VIII

Parliamentary Authority

All meetings of this organization shall follow parliamentary law as suggested in Robert's Rules of Order Revised where the rules apply and are not in conflict with these Bylaws.

Exhibit 1

ARTICLE IX

Amendments

- Section 1. The constitution and Bylaws may be amended at any regular meeting of the Student Government by a quorum vote provided that the proposed amendment to the constitution and Bylaws be posted on the bulletin board one week prior to the date set for voting.
- Section 2. An amendment to the constitution and Bylaws shall become effective immediately upon its approval at the regular meeting, unless the amendment specifies a time for its going into effect.
- Section 3. Proposed amendments may be submitted to the Student Government by any member of the student body of St. John's College, Department of Nursing.

ARTICLE X

Fiscal Year

Section 1. The fiscal year of this organization shall be the academic year.

Student representatives serve on the following Faculty Organization Standing Committees:

The Academic Affairs Committee:

A. The purpose of the Academic Affairs Committee is to:

1. Review policies and recommend changes related to the academic program in alignment with the college's mission and philosophy to optimize student learning.
2. Provide evaluative guidance to ensure the curricula are sound, comprehensive and responsive to students, stakeholders, the community, and accrediting bodies.
3. Support an environment and curriculum that assist students to achieve their educational goals.

B. The functions of the Academic Affairs Committee are to:

1. Foster congruency with established course credit to course rigor.
2. Oversee maintenance of internal consistency of new and on-going programs of study.
3. Monitor and disseminate accreditation and standard changes as they relate to curricula.
4. Review and recommend standards and policies regarding student preparation for admission, retention, and progression for academic success based on measurable criteria.
5. Yearly review for approval of the student catalog for concurrence with approved academic changes.
6. Collaborate with course faculty to define course objectives and organize learning experiences to maximize student learning outcomes.
7. Collaborate with Research and Evaluation Committee to analyze performance data related to student outcomes.
8. Preserve Student's rights and obligations under St. John's College grievance procedure as listed in the Student Handbook.
9. Review academic violations forwarded to Academic Affairs Committee and implement due process which may include disciplinary actions.
10. Assist in leadership development of student representatives by encouraging active participation in the college curricula.
11. Bring forward student body issues to the committee and offer feedback to the committee when requested.
12. Disseminate changes through College Assembly.

C. The membership of the academic affairs committee shall be:

1. Dean of Academic Affairs

2. At least 5 faculty members representing all academic programs and levels
3. Students: 1 student representing each level.

D. Meetings shall be held at least twice a semester and as necessary.

Student Affairs Committee:

1. The purpose of the Student Affairs Committee is to:

1. Review and recommend changes to policies related to the selection, admission, development, promotion and graduation of students.
2. Disseminate college policies to students and faculty.
3. Encourage student activities that promote cohesion between/among faculty and students.
4. Monitor implementation of services which meet student needs in accordance with the philosophy, objectives, and resources of the program.
5. Develop investment in St. John's College legacy.

2. The functions of the Student Affairs Committee are to:

1. Update the student publications annually for faculty and students.
2. Bring issues to the College Assembly for the purpose of discussion and sharing information.
3. Participate in the student recruitment program.
4. Review social violations forwarded to Student Affairs Committee and implement due process which may include disciplinary actions.
5. Conduct evaluative studies on the preservation of student rights, the efficacy of student policies, and the adequacy of student life.
6. Make recommendations to the College Assembly for revision of student policies and/or services.

3. The membership of the Student Affairs Committee is:

1. Student Development Officer
2. Admissions Officer/Registrar
3. Financial Aid and Compliance Officer
4. Two Faculty members
4. Students: 1 student representing each level

Chairs will be elected to a 2 year term. In the third year, the outgoing chair will serve as consultant for the newly appointed chair.

D. Meetings shall be held at least twice a semester and as necessary

National, State and Regional Student Organizations

Student organizations provide an extension of the educational activities of the College beyond the program. All students are encouraged to participate in these organizations to help develop special talents, broaden cultural backgrounds, widen interests and help foster professionalization into nursing.

St. John's College nursing students are invited to be members of:

Student Nurse Association

All students admitted to the nursing program are encouraged to join the National Student Nurse Association (NSNA). The purpose of this organization is to promote the student nurse's personal and professional growth in areas of health care for persons of diverse cultures and life style. Students may participate at the local, state and national level as representatives to the House of Delegates as well as other leadership positions. The Organization promotes awareness of nursing issues that are pertinent for continued involvement in professional nursing practice and organizational membership.

St. John's Alumni Association

The Alumni Association offers membership to all graduates from St. John's College, Department of Nursing. The objectives of the Alumni Association are to:

- promote good fellowship among the graduates of the College
- advance the interests of St. John's Hospital and College
- publish the Alumni Periodical, The ECHO
- provide scholarship monies for current students.

The motto of this association is "Semper Fidelis" (always faithful). Students are encouraged to submit articles to the Alumni Periodical, The ECHO, for publication.

All graduates of St. Johns College are eligible for membership in the Alumni Association. All members may vote and hold office.

Student Community Service

Students are encouraged to develop their commitment to improve humanity by participating in various community service activities. Community Service is defined as "an individual or group activity accomplished for the benefit of others, which is consistent with the mission and promotes the philosophy of St. John's College, Department of Nursing."

Franciscan Formation

The goal of the St. John's College Franciscan Formation is to strengthen the understanding and Franciscan leadership potential of the members of the St. John's College Community. The objective is to deepen the understanding of Francis' life and values and the application of these values in one's life and professional development.

Awards, Recognitions and Honors

The Gertie Egan Community Service award is a Community Service Award presented to a junior and a senior student of St. John's College who demonstrates a concern for the welfare and well-being of others and promotes a caring philosophy.

To be eligible for the Gertie Egan Community Service Award:

1. The students must have performed a minimum of 30 contact hours of community service that is documented on the Community Service Documentation Form (available from the College receptionist). The completed forms are reviewed by the Student Affairs Committee.
2. A student who demonstrates the most impactful service, based on St. John's College Mission and Philosophy statements will be selected from those who qualify.
3. Students must be in good academic standing.
4. The Student Affairs Committee selects the student recipient of this award.

Sigma Theta Tau International

A partnership of area baccalaureate nursing programs including St. John's College, Millikin University, and MacMurray College make up the Nu Pi Sigma Theta Tau International alumni chapter of Sigma Theta Tau. <http://www.nursingsociety.org/Pages/default.aspx>. This partnership creates many opportunities for the College. Events through the chapter are planned to enhance student and faculty professional networking, leadership development and community. Students are invited to join STTI through one of the more than 485 chapters located at colleges and universities around the world.

Undergraduate Students must

1. have completed $\frac{1}{2}$ of the nursing curriculum;
2. achieve academic excellence (at schools where a 4.0 grade point average system is used, this equates to a 3.0 or higher);
3. rank in the upper 35 percentile of the graduating class;
4. meet the expectation of academic integrity.

Registered Nurse Students must

1. have completed 12 credit hours at current school;
2. have completed $\frac{1}{2}$ of the nursing curriculum;
3. achieve academic excellence (at schools where a 4.0 grade point average system is used, this equates to a 3.0 or higher);
4. rank in the upper 35 percentile of graduating class;
5. meet the expectation of academic integrity.

ACADEMIC POLICIES

Registration

Students register for course work during the registration period each semester. All tuition and fees must be paid in full or arrangements have been made with the Financial Aid Officer to register for classes. Students must complete registration in order to attend classes.

Cancellation of Courses

The College reserves the right to cancel a course during the registration period. Cancellation may occur up to and including the first day the class meets.

Adding Courses

New courses may be added until the first day of the semester. There are no late registrations after the first day of class.

Dropping Courses

Courses may be dropped within two weeks after the first day of the semester. Courses dropped within this period will not appear on the student's transcript.

Withdraw from a Course

Students may withdraw from a course any time after the drop period and before the last day of class or clinical. Withdraws will be recorded on the transcript according to policy as: WX if before midterm, WP if passing the course after midterm, WF if failing the course after midterm, and WA if auditing the course. Any course in which a grade of WX, WP, WF or WA is received must be repeated in its entirety.

Add/Drop/Withdraw Procedure

Dropping a course is defined as withdrawing from one class while remaining enrolled in at least one other course. Students that are receiving financial aid and are considering dropping a course are required to consult their Advisor and the Financial Aid Officer as enrollment status and financial aid may be impacted. The official drop/add period occurs during the first ten days of each semester for all programs except the RN-BSN program. Because the RN-BSN courses are 8 weeks long, the official drop/add period is during the first five days of the course.

Students adding, dropping or withdrawing from a course must complete the Change of Study form. This form is available through the Academic Advisor. After this form is completed and signed, the student takes the form to the Dean of Academic Affairs for approval.

Withdraw from the College

Withdraw is defined as dropping all courses that the student has been registered for the semester. For distance learning students, a student's drop or withdraw date is defined as the actual date the student submits written notification of intent to drop/withdraw **OR** 5 calendar days following the date of last access of the learning management system.

Students withdrawing from the College must complete the official withdraw form and procedure. This form and procedure are available from the faculty Academic Advisor. The student is responsible for providing written documentation that all College, library and course materials including identification badge and parking permit have been returned. After this form is completed and signed, the student takes the form to the Dean of Academic Affairs for approval. The student is responsible for finalizing all financial obligations to the College. Student accounts must be free and clear of financial and/or institutional holds before transcript requests are honored. The appropriate status at withdraw will be recorded on the student's transcript according to policy.

Readmission

Students who have not been enrolled in the college within the last year must complete the readmission process. Those seeking readmission must contact the Chancellor for full details concerning the process. Decisions regarding readmission will be made by the Student Affairs Committee with full consideration of individual student circumstances and space availability. Students re-enter under current academic and clinical policies/requirements.

Transfer of Credit from St. John's College

Transfer of credit from St. John's College, Department of Nursing to other institutions is dependent upon the policies and procedures of the receiving institution. St. John's College cannot guarantee acceptance of transfer credit or equivalency of transferred credit in other institutions.

Transfer of Upper Division Credit

Students who wish to transfer credit for courses completed in other accredited baccalaureate programs must meet the general admission criteria and submit an official transcript and a College catalog. In addition, students seeking admission to the Nursing major must submit a statement indicating the reason they wish to transfer and provide copies of all nursing course syllabi. Upper division non-nursing courses taken on a CR/NC or P/F basis will be accepted only if the granting institution evaluates this option as a grade of C or above. The course hours will be counted towards graduation, but will not be calculated in the GPA.

Leave of Absence

Permission for a leave of absence for personal or health reasons may be granted by the Chancellor to a student in good standing. Good academic standing means that the student maintains a grade of "C" or better in all courses and is making satisfactory academic progress. The student will be responsible for contacting the Financial Aid Office if this is pertinent. LOA is granted for no longer than one year.

A student who returns following an approved LOA is not required to complete the readmission process as long as the return is within one year. The student on LOA must satisfy any conditions of the leave

before reentering the program. Also, the returning student must comply with the course sequence in effect at the time of reentry.

A student must notify the Chancellor, in writing, of intent to return to the St. John's College at least 2 months prior to the expected return. A personal meeting with the Chancellor and/or other support service staff may be requested.

Grades and Grading System

St. John's College issues grades at the end of each 8, 13, or 16 week session. The requirements for obtaining the course grade will be stated in each course syllabus.

Grades are computed on the following scale:

Grade	Scale	Points
A	93-100	4
B	85- 92	3
C	77- 84	2
D	70- 76	1
F	69 and below	0

For all courses with a clinical or lab component, St. John's College of Nursing pre-licensure students must earn at least a C average on all exams to pass the course. Test averages are calculated prior to adding in papers, projects, or other non-exam scores. If the average of all the tests is less than a C, the pre-licensure student earns the test average for the course. If the student's test average is C or greater, all of the remaining course assignments are calculated into the final grade. Students who do not earn a C when exams are averaged fail the course, regardless of the grades on the other non-exam course activities.

Student letter grades will be determined by rounding a .49 down and rounding a .50 up. Rounding of grades considers only the 1/10 decimal place. Therefore if a student earns 82.445 the graded earned is an 82. If a student receives an 82.54 the student receives an 83.

Grade Point Average

Grade point averages are computed upon admission to the College, at the end of the semester, and cumulatively over required upper division nursing courses. They appear on the official transcript. The procedure for computing grade point averages is available from the Registrar.

Semester Grade Point Average

The number of grade points for a grade in a given course is found by multiplying the grade-point value by the number of semester hours which may be earned in a course. As an example: If grades of A, B, C, D, F, are earned in courses of 6, 3, 4, 4, and 2 semester hours respectively, the grade-point average is calculated as follows: Grade A, 6 semester hours yields a grade point total of 24; grade B, 3 semester hours yields a grade point total of 9; grade C, 4 semester hours yields a grade-point total of 8; grade D,

4 semester hours yields 4 grade-points; grade F, 2 semester hours yields no grade points. The grand total is 45 grade points for 19 semester hours. The semester GPA is then $45 \div 19 = 2.37$.

Cumulative Grade Point Average

The cumulative grade-point average is computed by dividing the total number of grade points which each student has earned in all courses taken in the nursing major by the total number of semester hours represented by those courses (excluding WX, WP, WF, WA, AU, PF, CR/NC or I). The nursing major consists of the required upper division courses with a course number of 300 or 400 including non-nursing upper division elective. As an example: If the above semester grand total of 45 grade points for 19 semester hours was added to a cumulative grand total of 81 grade points and a cumulative semester hours of 23, the calculation would appear as follows:

45 grade points + 81 cumulative grade points = 126 cumulative grade points
19 semester hours + 23 cumulative semester hours = 42 cumulative semester hours
Cumulative GPA calculation
 $126 \text{ total grade points} \div 42 \text{ cumulative hours} = 3.00 \text{ cumulative GPA}$

Grades not computed in the Grade Point Average:

- WX - Withdraw from a course through the midpoint of the semester (4, 6, or 8 weeks)
- WP - Withdraw from a course with a PASSING grade after the midpoint of the semester.
- WF - Withdraw from a course with a FAILING grade after the midpoint of the semester.
- WA- Withdraw from an audit grade.
- AU- Audit
- I - Incomplete—temporary grade.
- IP - In Progress, courses in which the student is currently enrolled.
- CR/NC-Credit/No Credit
- Pass/Fail Pass/Fail

The appropriate status at withdraw will be recorded on the student's transcript.

Academic Probation

A minimum grade of C or better must be obtained in all courses to be promoted in the College. Failure to maintain a grade of C or better will result in academic probation. Students on academic probation may continue to complete coursework. However, they may not take any subsequent nursing course that has as a prerequisite course in which the student received a **D, F or WF** until that **D, F or WF** is removed from the transcript by repeating the course with a final grade of C or better. Academic probation is removed only when a grade of C is obtained in the repeated course. If a student is failing at the time of withdraw or receives a final grade of D, F, or WF in a clinical or non-clinical nursing course, the student has one opportunity to repeat that course. If the student withdraws or receives a final grade of D, F, or WF a second time (either in a different course or in the course being repeated), the student may not continue their course of study at St. John's College.

A course being repeated must be taken at St. John's College. Academic dismissal results when the D, F or WF is not removed from the transcript after repetition of a course or if the student has withdrawn from (WX, WP) and/or failed (D, F, or WF) the repeated course. All courses in the Junior Year must be completed with a grade of C or better before being promoted to Senior Year. Students must pass a

drug calculation test before they can enroll in Senior year classes. All courses in the Senior year must be completed with a grade of C or better to eligible for graduation.

Dean's List

The Dean's List recognizes students who have demonstrated academic achievement. Students who complete a semester of 12 or more semester hours with a GPA of 3.5 or higher are eligible for the Dean's List. The awards are conferred at the end of each semester. The Dean's List is displayed in the College and notices are published to the community.

<u>Honors</u>	3.5 and above semester GPA
<u>Highest Honors</u>	4.0 semester GPA

Social Media

Student pictures and College events are posted on social media sites and the College's Website. Any statements and/or photos placed on a social media site should reflect positively on oneself, fellow classmates, the College and clinical sites. Students, faculty and staff should not create the perception that they are communicating on behalf of the College unless using pre-approved College social media accounts. Violating the Social Media Policy may result in disciplinary action, up to and including dismissal. The College follows the St. John's Hospital policy on social media. This policy is located within Employee Rights & Responsibilities through People Services. Sharing of pictures of patients/patients or confidential information is strictly prohibited under HIPAA.

Audio Recording Devices

Students who are authorized by the Student Development Officer to use an audio recording device in lectures will be obliged to agree in writing to the following conditions:

1. Students must submit proper authorization paper work to the course chair regarding recording contract for each course.
2. Students must notify the lecturer before each lecture that he/she plans to record the lecture.
3. Faculty will announce at the beginning of each class if a recording device is in use.
4. Recordings are for the sole use of the authorized student only and cannot be further distributed to other individuals, commercial use, etc.
5. Faculty of the lecture has ownership rights to the lecture and any unauthorized exploitation or misuse of recorded material is prohibited and will be deemed as academic misconduct which could result in disciplinary action against the concerned student(s).
6. Any conversations that were recorded inadvertently such as clinical case examples, classmate personal conversations, etc., are considered confidential and the student will be held accountable for upholding that confidentiality under FERPA and HIPAA regulations.
7. All recordings must be destroyed after successful completion of the program (graduation).
8. If a faculty member deems that the recording is negatively affecting the quality of class discussion then the faculty member has the right to stop the recording
9. If faculty does not grant the student permission for recording, the faculty member has the responsibility to make reasonable accommodations for the student's learning such as a pre-

- recording of the lecture, access to audio textbook that correlates with lecture material, individual session with student to go over missed material during lecture, etc.
10. Legal action may be taken if students are found to be noncompliant with the audio recording policy.

ATI Completion

Assessment Technology Institute (ATI) Nursing Education is a web-based assessment and review program that serves as a learning tool to help promote nursing students to successfully pass state boards. ATI guides students to focus on developing strategies for successfully passing NCLEX. Not only does ATI serve as a resource tool for passing NCLEX, but it allows students to focus on key topics that perhaps might be their weakness, allowing for more concentration of these topics in order to achieve success. After students study, complete their assigned ATI questions and proctored exams, they can feel more secure with their abilities before they pursue their NCLEX examination. For nursing programs, it is essential to provide a resource for students to obtain successful completion of their NCLEX examination in order to be safe practitioners. **NO MORE THAN 3% of TOTAL COURSE GRADE WILL BE AWARDED TO ATI (*Exception – Transition to Practice Course).** Allocation of points is course specific and will be addressed in course syllabi.

1. Sharing of answers to ATI is considered an academic dishonesty violation.
2. Students are expected to complete practice tests before they are allowed to sit for the proctored test. Students will be awarded for their preparation work (e.g. tutorials and practice tests).
3. Students who achieve the expected level of achievement on the proctored assessments will be awarded for their work per individual course syllabus.
4. Following the practice exams, students will have the opportunity to participate in faculty facilitated focused review prior to the proctored exam.
5. Students who DO NOT achieve the expected level of achievement on the proctored exam are expected to consult with their advisor for further assistance.
- 6.. If a student fails to provide a transcript demonstrating satisfactory achievement on practice tests, the student will not be allowed to take the proctored test. Proctored test dates will be posted in the related course syllabus. *Students who are not able to take the proctored test on the published date due to extenuating circumstances will be assigned an alternate testing date before the end of the semester. All proctored testing must be completed before the end of the semester. Failure to complete the proctored testing will result in a course grade of Incomplete.

Testing Protocol

The following testing policy has been developed and accepted for use by the faculty of St. John's College (SJC). Students violating this policy will be referred to the Dean of Academic Affairs for appropriate action as guided by established College policies.

1. Students will use pencils and calculators provided by SJC for test taking purposes.
2. Once students have started the testing process, they must complete the examination before leaving the testing environment.
3. Personal belongings are not permitted in the testing environment. (Including cell phones)
4. Student leaving the testing environment for any reason will not be permitted to return to the testing session as the test will be considered complete.

Exam Make-up

In the event that a student fails to take an examination due to absence, that student should consult the course syllabus for the make-up procedure. It is also the responsibility of the student to contact the instructor to make needed arrangements on the first day of return from absence. Makeup of missed examinations and clinical incompletes are at the discretion of course faculty.

Academic Progress

It is expected that students will progress through the College either full-time or part-time and complete all requirements within a 4-year time frame. Lack of progression is noted when the Promotion and Graduation policies are violated.

If a student enrolled in the accelerated program withdraws failing or sits out a semester for academic success, the student will re-enter the nursing program in the general pre-licensure program. A student that has withdrawn in good consistent academic standing due to illness/family emergency can re-enter into the traditional pre-licensure program or could return to the accelerated program with the approval of the Dean of Academic Affairs.

Repeated Courses

Repeated courses will be reflected on the transcript with an "RP" grade. The first grade received in the course will be replaced on the transcript with an "RP". The grade received on repetition of the course will then replace the first grade in calculation of the GPA.

Grade of Incomplete

A grade of Incomplete (I) is not granted automatically for unfinished course work. The student must have completed 75% of the course work with a minimum theory grade of C and satisfactory clinical performance. The course faculty prepare a contract to be signed by the student agreeing to completion of requirements of the incomplete. An "I" not removed by the agreed upon date will become an "F". The student is responsible for payment of any fees incurred as a result of the "I". A copy of the contract is provided to the Dean of Academic Affairs for approval. Students with an incomplete in one required nursing course will not be allowed to progress unless the "I" is changed to a minimum of a "C" grade by the first week of the next course.

Clinical Evaluation

In a clinical course, the practicum is evaluated as satisfactory or unsatisfactory by the course faculty. Students must pass both the theory and the clinical components. The theory grade will constitute the course grade as long as a "Clinical Satisfactory" is attained. If a student receives an "Unsatisfactory" in the practicum (clinical) he/she receives an F for the course and a course grade of 69. If a student withdraws after midterm and prior to the end of the course, a clinical determination of "WP" or "WF" will be made based on the student's current status of clinical performance.

A faculty member may require a student to leave the clinical area and forfeit the opportunity to complete a learning experience if the student is judged to be inadequately prepared to provide safe patient care or if failure to observe the rules has created an unsafe or unprofessional situation. Clinical suspension due to unethical, illegal, or unsafe practice is at the discretion of the course faculty. The

Dean of Academic Affairs and Chancellor will be notified of such suspension. Makeup of clinical incompletes is scheduled at the discretion of course faculty.

Course Audits

Classes may be audited for a fee on a space available basis in accordance for the non-degree seeking and/or returning student. Students planning on auditing a class must receive course faculty approval. A student may not change class registration status either from audit to credit or from credit to audit after the initial registration is complete.

Grade Reports

Grade reports are issued to the student 15 work days after the close of the semester.

Good Academic Standing

A student in good academic standing maintains a grade of "C" or better in all courses and is making satisfactory academic progress.

Attendance

Student participation in planned clinical and theoretical learning experiences is essential. Any clinical absence will be addressed by the course faculty. Excessive absenteeism is defined as 10% of the clinical hours missed for each course. The consequence of a clinical absence will be determined by the clinical faculty in concert with the course chair. **FACULTY HAVE THE AUTHORIZATION TO FAIL THE STUDENT FOR EXCESSIVE ABSENTEEISM.** If the student wishes to appeal the course faculty's decision, the student may initiate the formal Appeals Process (See Appeals Policy).

St. John's College faculty believes students are active participants in their learning. Failure to notify the faculty of absence in clinical will be addressed by course faculty. Makeup of missed examinations and clinical incompletes are at the discretion of course faculty.

Extensions for Assignments

Students are expected to complete assignments on time. The faculty member has the right to deny a student an extension. Each individual student's request for an extension will be handled on an individual basis.

It is the student's responsibility to contact the appropriate faculty member to request an extension on an assignment. Any request must be made to the specific faculty member, in writing, prior to the time the assignment is due. Assignments, which are submitted after the deadline date without prior communication with the specific instructor, will result in a grade of zero.

When an extension is requested, it is the faculty member's responsibility to specify, in writing, to the student the date and time of the deadline in which the assignment must be submitted or the denial of the extension. This information should be recorded on the counseling record and signed by the student and the instructor. A copy of this request should be copied and attached to the counseling record. If the assignment is not submitted before or at the time established the grade for that assignment shall become a zero.

Pregnancy

Students that are pregnant and in good health that are enrolled in the College will be allowed to continue with the regular curriculum with the following requirement:

The student must inform in writing the Student Development Officer, the Dean of Academic Affairs, the Advisor and the course faculty of the pregnancy as soon as possible, but no later than the end of the first trimester in order to plan progression of studies.

Graduation

For 2015 and 2016 graduates to be eligible for the Bachelor of Science in Nursing degree a student must satisfactorily:

1. Complete all specified courses in the curriculum plan; the equivalent of 122 semester hours, including 56 semester hours of lower division credits.
2. Complete a minimum:
Pre-Licensure: 30 semester hours;
Accelerated BSN: 30 semester hours;
RN to BSN: 30 semester hours; at St. John's College
3. Attain a minimum of 2.0 GPA for each course offered at the College.
4. Be free and clear of financial and/or institutional holds before applying for graduation.
5. Students completing in summer may participate in May ceremonies.
6. Students enrolled in the accelerated program participate in December ceremonies.
7. Students enrolled in the RN-BSN program may participate in the May or December ceremonies; depending on the date of completion.

All graduation requirements must be met within four years of enrollment in the College. Students preparing to graduate must file an application for graduation with the Registrar.

Note: Information on graduation rates is available upon request from the Admissions Officer/Registrar.

Graduation with Honors

Students completing a minimum of 30 semester hours of required nursing courses at St. John's College may earn the distinction of graduating with honors. Honors are designated as:

<u>Summa Cum Laude</u>	3.90 - 4.0
<u>Magna Cum Laude</u>	3.75 - 3.89
<u>Cum Laude</u>	3.5 - 3.74

Application for Graduation

The policy and procedure required to ensure graduation requirements are met include:

1. Review of student's academic record at completion of program of study.
2. Form completion for Bachelor's Degree. (The Application for Graduation Form will be distributed.)

Assessment Program

In order to reinforce the value of higher education and in response to the need for public accountability, educational institutions are being required to demonstrate that students are learning what is necessary and that the educational program is of high quality. Therefore, an institutional assessment program has been instituted at St. John's College. Students participate in assessments upon entry to the major, during the program, and during the post college experience.

Educational Facilities

St. John's College is housed in a building adjacent to the hospital campus at 729 E. Carpenter Street in Springfield, Illinois. The administrative offices, financial aid office, faculty offices, classrooms, and recreational rooms are all conveniently located in this two-story building. A fully equipped nursing arts laboratory with state-of-art materials, including a new simulation laboratory, is provided to supplement student learning. The computer laboratory with its nursing education programs is also made accessible to students to assist learning in a highly technological environment.

St. John's College is a secure building with restricted access. Students, faculty, and staff are responsible for maintaining building security by taking the following responsibility:

- Immediate notification of lost/stolen badges to the college receptionist and St. John's Hospital People Services
- Request of a new badge to St. John's Hospital People Services (fee determined by SJS)
- Never propping or holding door open for others
- Never loaning an ID badge to others
- Being vigilant to avoid having others enter the college by "tagging" behind
- Reporting witnessed violations to the college receptionist and/or administration

Students, faculty, and staff should be cognizant that college ID badges may not only permit individuals entry to the college, but also entry to restricted areas with vulnerable populations in the hospital. Students, faculty, and staff that violate these responsibilities may be subject to disciplinary measures.

Students may access the college from 6am to 6pm, Monday through Friday, by using their student identification badges and the card swipe system. Students may stay in the college until 10pm to study.

The office of the Financial Aid is located on the first floor of the College to allow ready access in the event questions or concerns arise about financial aid matters. Recreational facilities are also located on the second floor with lounge areas, and a television for students during the hours the building is open (Monday through Friday, 7:00 a.m. to 4:00 p.m.).

Being adjacent to St. John's Hospital makes access to its services possible at all times. Reasonably priced cafeteria services and a full range of health services are readily available in the hospital. A large, well-provisioned Health Science library is located on the second floor of St. John's Hospital.

In addition to the educational opportunities offered on the St. John's campus, students may use the medical library at Southern Illinois School of Medicine and the many services available in the city of Springfield. Lincoln Library, the state library and the various governmental offices are within walking distance of the College.

Computer Services

Students have access to the College's computer laboratory during the hours posted. Instructional aids available include Microsoft Office 2007 package with word processing (Word), Microsoft Excel, PowerPoint, various software-learning programs, and NCLEX Review programs. This lab is also equipped with the SAINTS system and Francis, St. Johns Intranet. Students must sign an Internet user agreement in order to utilize the Internet. The campus is equipped with Wi-Fi (sjs-college).

Technology Expectations

It is expected that students will have knowledge in computer skills with Microsoft Office programs such as Word, email, attachments, PowerPoint, uploading and downloading documents and internet use. For students with little or no prior experience with computers, a computer course is highly recommended to support computer work in nursing. The College and Health Science Library have multiple computers for student use; however, it is expected that students will have their own access to a personal computer with a high speed broadband internet access including internet explorer 8 or higher and a personal printer. The most recent configuration requests are available in the student handbook or the College website.

Students entering St. John's College are required to have a personal laptop computer configured to the college's specifications. This requirement responds to technical changes on the computerized testing platform for the licensing examination as well as the widespread adoption of computer technology in healthcare.

St. John's College of Nursing expressly reserves the right to access all information in the College's computers, equipment, and network without notice.

Laptop Minimum specifications:

Effective August 2015 students entering St. John's College will be required to have a personal laptop computer configured to the college's specifications. This requirement responds to technical changes in the computerized testing platform for the licensing examination as well as the widespread adoption of computer technology in healthcare.

Windows Laptop - minimum specifications:

PC Software Requirements

Windows 7 or Higher

Office 2010 or later

Virus protection software, installed and updated

Adobe Reader (free) <http://get.adobe.com/reader/>

Internet Explorer (free) <http://microsoft.com/downloads>

Flash Player (free) <http://get.adobe.com/flashplayer/>

Google Chrome (free) <http://www.google.com/chrome/>

Hardware Requirements

8 GBs RAM

500 GB Hard Drive

Streaming media capable video and audio

Apple/Mac Laptop –minimum specifications:

MAC Software Requirements

Mac OS 8.1 or later

Microsoft Office 2010 for Mac

Adobe Reader (free) <http://get.adobe.com/reader/>

Flash Player (free) <http://get.adobe.com/flashplayer/>

Google Chrome (free) <http://www.google.com/chrome/>

Lockers

Students may request a locker for their use while attending SJC. Student must provide their own padlock and students are advised to keep their combinations confidential. The College is not responsible for loss or theft of items from lockers.

Student Lounge

A student lounge is located on the second floor of the College. There are refrigerators, microwaves, and television available for student use. Each student is responsible for keeping the lounge clean and neat. All food items brought to the lounge must be dated and properly discarded after use. All eating utensils and trays are to be removed from the lounge after use. The privilege of using the lounge furnishings is dependent upon the appropriate utilization of the area and its equipment. It is equipped with selected references.

Library Services

The Health Sciences Library serves both the College and the Hospital and is located on the 2nd (main) floor of the hospital, not far from the Main Lobby. Hours, contact information and access to research guides, databases, online content, catalog and more are available on the Library website www.st-johns.libguides.com

Research

There are many ways to contact a librarian for research assistance, including an **ASK US** link on the website, texting to 217-280-4582, calling 757-6700 or emailing library@st-johns.org

Available study spaces include individual carrels, tables and group study spaces. Computers, printers, photocopier and scanners are available as well as a wide variety of audiovisual equipment, such as portable projectors. All computers include access to the internet and Microsoft Office software.

Dozens of online subject guides have been created to guide students in their research. There is also a special collection of nursing books from the late 19th- mid-20th centuries available for on-site use.

Most required nursing texts have been placed in a Reserve section in order to be available to you when you need them.

Request Service

In addition to using the above mentioned means of contacting the Library, there are online forms on the library website for interlibrary loan (requesting a book or article that the library doesn't own), making a purchase suggestion and more.

Hours

Generally, the Library is open 0730-2000 Monday – Thursday, 0730-1630 Friday, 1200 – 1600 Saturday, closed Sunday. Changes in these hours are posted at the Library entrance and on the Library website and within the College. Text HOURS to the Library @ 217-380-4582 to get current hours.

Useful Tidbits

Library books are expensive. For some materials, there is a flat fee replacement of \$115 or more. The only locations to return materials are inside the library or in the book drop outside the library front door.

The College uses the current *Publication Manual of the American Psychological Association* (APA). Papers and other writing assignments must follow this style manual, which is available in the Library.

Copyright

St. John's College abides by the copyright policy of St. John's Hospital as published. The Health Science Library publishes a copyright guide designed for Students. It is available at: <http://st-johns.libguides.com/content.php?pid=93458>.

Procedures for Changing a Policy

- Policy change can be initiated by students, faculty, staff, and College Board members or external persons in response to trends in higher education or events that point toward improvements.
- Recommendations are given to the appropriate college committees for review, deliberation and action.
- Recommendations may be returned for further study or sent to College Assembly for a review and action.
- Simple majority approval is needed to pass a recommendation at the College Assembly.
- Approved recommendations are then sent for legal review and final presentation to the College Board for action.

Clinical Facilities

Students receive a majority of their clinical experience at St. John's Hospital, a fully accredited teaching facility which is affiliated with SIU School of Medicine. St. John's consists of a variety of medical-surgical and specialty units. It is noted as a provider of Level III neonatology, complemented with perinatology; trauma center; open heart and cardiac catheterization provider; hospice care provider; special affiliate with family practice from SIU School of Medicine. There are also Home Health Services. The Pavilion provides an expanded outpatient services department, including ambulatory surgeries, gastrointestinal procedures, chemotherapy and radiation therapy. The Carol Jo Vecchie Women and Children's Center opened in 1997 to provide expanded services for women's and children's health. It houses the Neonatal Intensive Care Unit, Pediatric Intensive Care Unit and the Family Birthing Center. Based on these services provided, it earned the designation of Children's Hospital in 1998. The Prairie Heart Institute opened in 1998 as the largest provider of cardiovascular services in Illinois and is among the largest in the United States. Students also receive clinical experiences at multiple priority cares and clinics.

St. John's Hospital serves as a Level 1 Trauma Center for central and southern Illinois. Other facilities used in meeting the educational needs of the students are Memorial Medical Center, a 500-bed acute care hospital, McFarland Mental Health Center, Springfield Department of Public Health, and the Visiting Nurses Association of Central Illinois, to name just a few. Springfield and the surrounding counties are fortunate in the variety and scope of the health care facilities available in the immediate area.

STUDENT CONDUCT AND BEHAVIOR

Code for Nurses

Students who are preparing to enter the profession of nursing are expected to follow the current ANA Code for Nurses. Each person, upon entering the profession inherits a measure of responsibility and trust of the profession and the concomitant obligation to adhere to standards of ethical practice and conduct set by the profession. The code was adopted by the American Nurses' Association in 1950 and revised in 2001.

1. The nurse, in all professional relationships, practices with compassion and respect for the inherent dignity, worth and uniqueness of every individual, unrestricted by considerations of social or economic status, personal attributes, or the nature of health problems.
2. The nurse's primary commitment is to the patient, whether an individual, family, group, or community.
3. The nurse promotes, advocates for, and strives to protect the health, safety, and rights of the patient.
4. The nurse is responsible and accountable for individual nursing practice and determines the appropriate delegation of tasks consistent with the nurse's obligation to provide optimum patient care.
5. The nurse owes the same duties to self as to others, including the responsibility to preserve integrity and safety, to maintain competence, and to continue personal and professional growth.
6. The nurse participates in establishing, maintaining, and improving healthcare environments and conditions of employment conducive to the provision of quality health care and consistent with the values of the profession through individual and collective action.
7. The nurse participates in the advancement of the profession through contributions to practice, education, administration, and knowledge development.
8. The nurse collaborates with other health professionals and the public in promoting community, national, and international efforts to meet health needs.
9. The profession of nursing, as represented by associations and their members, is responsible for articulating nursing values, for maintaining the integrity of the profession and its practice, and for shaping social policy.

American Nurses Association, *Code of Ethics for Nurses with Interpretive Statements*, Washington, D.C.: American Nurses Publishing, 2001.

<http://www.nursingworld.org/MainMenuCategories/EthicsStandards/CodeofEthics.aspx>

Complaints

Issues of concern to students should be discussed with the appropriate person within the College. Students should initially discuss the issue with the staff or faculty member closest to the problem or to the appropriate person as identified in the Student Handbook or College Catalog. If uncertain, student may approach their assigned faculty advisor or the Student Development Officer. Issues that cannot be resolved through these channels should be submitted in writing to the Dean of Academic Affairs or Chancellor. Only signed comments will be addressed. Students with a complaint should refer to the appropriate academic or administrative complaint policy outlined in this handbook for specific guidelines.

VIOLATIONS OF POLICY

Social Violations

The following social violations will be referred to local law enforcement agencies and may warrant disciplinary action by the College. Social violations include but are not limited to:

1. Safety violations (illegal possession or sale of weapons, malicious use of firearms, etc.).
2. Disturbance of the peace (action creating a nuisance in a public area, failure to respond to a reasonable directive).
3. Drugs and Alcohol (See Drug and Alcohol policy).
4. Conduct causing personal injury to others.
5. Theft
6. Falsification of non-academic records

Academic Violations

Honesty is the responsibility of every student at the College and is considered essential for the practice of professional nursing. It is the ethical obligation of all to report incidents of academic dishonesty in a respectful and confidential manner. Academic violations include but are not limited to:

1. Cheating - the utilization of information or work from another student in such activities as the completion of papers, projects, examinations, or other assignments. Cheating also includes the use of a paper / projects for more than one course without prior faculty permission.
2. Plagiarism - representing the work of another as one's own work. This includes utilization of a quote or paraphrase that is not referenced. The use of paper from an Internet source is also prohibited.
3. Bribes - includes bribing or attempting to bribe with the intention of affecting a record of a grade or evaluation of academic performance.
4. Technology related infractions – including but not limited to:
 - a. depriving other students of fair access to and reasonable use of educational resources.
 - b. tampering with, altering, circumventing or destroying electronic resources or data used for student projects.
 - c. any technology related infractions defined by federal or state laws.
 - d. failure to comply with Internet Access Policy.
5. Misrepresentation or fabrication - presenting information that is misleading, untruthful or false in meeting College requirements, course expectations or in patient care situations. Misuse of student identification badges is also prohibited.
6. Falsification of Documents - altering or misusing documents in order to meet College requirements.
7. Aiding someone else in the performance of any of the above acts.
8. Repeated infraction of the Dress Code.

Disciplinary Actions

Disciplinary actions for Social and/or Academic violations may include, but are not limited to:

1. Warning - a written statement from the Academic Affairs/Student Affairs Committee is given to the student as a formal notice that their behavior, or set of behaviors, is inappropriate and/or

violates ethical, moral, and/or professional standards set forth by St. John's College, Department of Nursing. A continuation of such behaviors, or any other future social and/or academic interruptions could result in probationary status, clinical suspension, or dismissal. A letter of warning is placed in the student's permanent record and may be brought forth as evidence in any future cases of suspected social or academic violations. (Adapted from Marquette University and St. John's College, Dept. of Nursing Grievance Policies.)

2. Probation - a written statement from the Dean of Academic Affairs is given to the student regarding the specific violation, expected improvement, actions to be taken by the student and the consequences of lack of corrective action and/or improvement.
3. Course Grade Alteration - Project or course.
4. Dismissal - includes from the College.
5. Clinical suspension- may be due to unethical, illegal, or unsafe practice or non-compliance with college requirements. The Dean of Academic Affairs will be notified of such suspension. The clinical suspension remains until the situation is resolved. Judgment will be based on the Standards set by the 2001 revised Code for Nurses as published by the ANA.

Due Process Procedure

Suspected Social Policy violations or Academic Policy violations will be referred by faculty or staff to the Dean of Academic Affairs who will refer to the appropriate committee.

Procedure for review of suspected Social or Academic Policy violations:

1. The faculty or staff member concerned about a suspected violation will notify the Dean of Academic Affairs, the student's advisor, and the student in writing using St. John's College Referral form (including documentation of suspected violation) within five business days of the suspected violation. The student will provide written receipt of the notification upon receipt. The Dean of Academic Affairs will refer the suspected violation to the appropriate committee chairperson.
2. The chairperson of the committee hearing the allegation of the suspected violation will notify, within 1 business day, the committee members and the student that a formal Due Process meeting will be called.
3. The administrator or administrator's designee must consult the student's permanent record file to determine if the student has a previous record of violations.
4. The student suspected of a violation will have five business days following written notification of the suspected violation to provide a written rebuttal to the committee chairperson.
5. A meeting of all members of the committee will be called by the chairperson within five business days of receipt of the student's written rebuttal. Committee members will be provided with documentation of the alleged violation and student rebuttal when notified of the meeting.
6. The committee will hear arguments from both parties, who will separately present supporting evidence from his/her perspective as specifically and clearly as possible. The faculty will present his/her supporting evidence and will then be dismissed from the meeting. The student will then be called into the meeting to present his/her evidence, after which they will be dismissed.
7. The student may request that their academic advisor or an alternate faculty member be his/her resource throughout the due process procedure. The faculty member can be present during the due process procedure.
8. Discussion by the committee members will take place to determine if a violation occurred followed by an anonymous written vote with majority ruling. If it is determined that a violation

occurred, the committee will make recommendations regarding any disciplinary actions if needed, a plan for improvement, and set schedules or due dates for improvement plans. Once the decision of the committee is rendered, the decision is final.

9. The student and the faculty/staff bringing the allegation forth will be notified in writing of the committee's recommendation within 3 business days. The student will provide written receipt of the notification upon receipt.
10. If a violation was determined to have occurred, the recommendation will be placed in the student's academic file.
11. The proceedings will be recorded only by the institution. A transcript will be made of the meeting. The Chairperson is responsible to see that a record is made of the decision:
 - a. date, time and place
 - b. persons present
 - c. statement of final decision
 - d. signature of members and their indication of approval or disapproval time of meeting closure
 - e. approval by all of committee members that the record is complete and accurate
12. All documentation of the proceedings will be forwarded to the Dean of Academic Affairs.
13. If the student wishes to appeal the committee's decision, the student may initiate the formal Appeals Process. (See Appeals Process)

Administrative Complaints

The college provides more than one process for students to communicate and seek resolution to any situation in which they have a concern or feel they have been treated unfairly. The philosophy of the college is to assist students to gain the knowledge and skills needed to resolve complaints independently. The college follows FERPA guidelines which require adult students to grant permission to the college before college personnel will communicate any information about the student complaint to parents or any outside party who wishes to be included in the resolution process.

When a student has a concern or complaint about a college policy, process or decision, as a first step in the resolution of the complaint, they are expected to review the pertinent policy in the student handbook or college catalog and to meet with the appropriate college professional. This meeting is to take place within 5 business days after the student identification of the complaint. Examples of appropriate college professionals include, the Financial Aid and Compliance Officer, the Admissions Officer Registrar, and the Student Development Officer. Student complaints regarding a course policy, process, or grade should locate and follow the Student Appeals Procedure outlined in the Student Handbook.

If a student remains dissatisfied with the administrative decision of the college professional, the student can ask the Chancellor to review the decision or policy. The student should write a letter to the Chancellor within 5 business days after meeting with the college professional. The letter should explain the circumstances and describe the conversations that have taken place with other college professional staff. The Chancellor only reviews situations or problems of substantial consequence to students and of broad concern to the college. The Chancellor will use the principles of fairness, equity, and college policy in reviewing the decision. The Chancellor will respond to the student within 5 business days by written correspondence, with a phone call, or both. In most complaint resolution cases the Chancellor's decision is final.

Students may also file a formal complaint with the college accrediting bodies Higher Learning Commission and the Accreditation Commission on Education in Nursing. Contact information for these bodies can be found on page 2 of the student handbook.

Academic Appeals

Students may appeal decisions which affect their welfare. The College protects the right of the student to question any decision, which seems to be unfair or a violation of their individual rights. Whenever a student deems a decision to have been made unfairly or unjustly, that student has the right to institute the appeals protocol. The appeal shall be resolved promptly, fairly, objectively and in good faith without subjecting the student to restraint, interference, discrimination, retaliation or harassments of any form. It is the responsibility of the student to follow the protocol in good faith and within the guidelines provided therein.

Procedure for Student Appeals

1. Appeals
 - a. An appeal must be submitted in written form, by person (grievant) initiating the grievance to the Chairman of the Appeals Committee for the College within seven (7) calendar days of the incident or written notification of the decision.
 - b. An appeal must be as specific as possible, and clearly identify that which is being grieved.
 - c. The appeal will be made available to all members of the Committee, to the grievant, to the individual whose decision is being grieved, and to the chosen faculty member, at least 3 working days prior to discussion, along with other pertinent documents.
 - d. Words, terms, terminology, grammar, etc. in the grievant's letter may be clarified if necessary before meeting.
 - e. The Appeals Committee is comprised of:
 - 4 faculty members and 1 alternate are chosen by lot at the beginning of the school year.
 - 3 students (1 elected from each class and a senior student elected from Student Government, and 1 alternate elected from Student Government.)
 - f. The Chairperson will be chosen by lot from among the 4 faculty members at the beginning of the school year.
 - g. If a committee member is directly involved in the appeal, the alternate will serve.
 - h. Only the above designated committee members shall have a formal vote in the resolution of the appeal.
 - i. The Appeals Committee will convene the hearing within seven working days after receipt of the Grievant's letter unless an extension is agreed to by both parties or for cause as determined by the committee chair.
 - j. Persons present for the discussion:
 - Seven committee members (4 faculty and 3 students).
 - Person(s) whose decision is being grieved.
 - Grievant(s).
 - Faculty member, chosen by grievant(s), who is not one of the 4 faculty committee members,

- Chancellor of the College and/or appropriate academic person shall be observers during the discussion but they do not have the right to vote, participating as ex officio.
- k. Discussion of facts:
- An electronic recording will be made of the discussion and used for transcription of minutes.
 - The Chairperson is encouraged to make written notes in case of electronic malfunction.
 - The recording is to be destroyed after approval of all minutes by the Chairperson.
- l. Formal discussion does not begin until the Chairperson is satisfied all members are ready to proceed.
- m. Focus of the appeals procedure is identified by the Chairperson.
- n. The Chairperson is responsible to see that the discussion pertains to the grievance submitted.
- o. The Chairperson may rule if information, requested by the committee members or the grievant, is relevant to the grievance and may be presented.
- p. The Chairperson is responsible to see that a record is made of the discussion which will include:
- date, time and place of meeting
 - persons present
 - documents presented (may be numbered)
 - summary of discussion and clarifications made
 - time discussion was closed
 - approval by all those present that this record and summary is correct.
 - The discussion will continue until the committee members agree that there is sufficient information upon which to base a decision.
 - At the conclusion of the discussion, all persons are dismissed except the seven committee members.

2. Decision by the Committee:

- if there is to be a time limit imposed on the committee deliberations the limit must be agreed upon by all committee members.
 - Committee deliberations will begin immediately following the discussion of facts.
 - The decision will relate directly to the written grievance.
 - The decision must be reached within three (3) working days after the end of the discussion of facts.
 - A decision must be agreed to by at least four of the seven committee members.
 - In case of a deadlock that cannot be resolved, the Chairperson shall announce this to the Chancellor and the grievant. A new committee shall be chosen by lot, and another meeting scheduled within seven (7) working days.
 - All seven committee members have an equal vote.
- a. The Chairperson is responsible to see that a record is made of the decision:
- date, time and place

- persons present
 - statement of final decision
 - signature of members, and their indication of approval or disapproval time of meeting closure.
-
- Within one business day, The Chairperson, in presence of the Chancellor or her/his designee, grievant and committee members announces the decision. The chairperson gives the grievant a written copy of the decision at the time the verbal announcement is read. The Committee may, if requested, explain the reasoning behind the decision to the grievant and/or the Chancellor. The record of the meeting will reflect the fact that the grievant received a written copy of the decision. A written copy of the decision is also given to the person or committee whose decision was being grieved.
 - Documentation of proceedings including minutes, written documents presented to committee, and decision statement shall be kept in a designated secure file in the Administrative Offices.
3. If the appeal is still not resolved to the grievant's satisfaction through the above process, it shall then be presented in writing by the grievant to the College Chancellor within 5 working days following receipt of the written copy of the decision. The College Chancellor will review all correspondence concerning the issue and will conduct any additional inquiries deemed necessary. After the Chancellor completes a review, a written decision will be given to the grievant within ten (10) calendar days unless an extension is agreed to by both parties or for cause as determined by the Chancellor; and a copy put in the student appeals file.
 4. If the appeal is still not resolved to the grievant's satisfaction through the above process, it shall then be presented in writing by the grievant to the College Board Chairperson within 5 working days following receipt of the written decision. The College Board Chairperson will review all correspondence concerning the issue and will conduct any additional inquiries deemed necessary. After the Chairperson completes a review, a written decision will be given to the grievant within ten (10) calendar days; and a copy put in the student's college file and appeals file. This decision is final. The College Board Chairperson may, if requested, explain the reasoning behind the decision to the grievant, the Appeals Committee and the Chancellor of the College.
 5. During the Appeals Process, the student status is considered to be that imposed by the original decision, be it termination from all or part of the curriculum or a probationary status. It is the student's responsibility to meet with the financial officer. Lending agencies will be notified as required by law.

Sexual Misconduct

St. John's College (the "College") is committed to providing a learning, working, and living environment that promotes personal integrity, civility, and mutual respect in an environment free of discrimination on the basis of sex. The College considers sex discrimination in all its forms to be a serious offense. Sex discrimination constitutes a violation of this policy, is unacceptable, and will not be tolerated. Sex discrimination includes discrimination on the basis of pregnancy, gender identity, and failure to conform to stereotypical notions of femininity and masculinity.

Sexual harassment, whether verbal, physical, visual, or digital, is a form of prohibited sex discrimination, and sexual violence is a particularly severe form of sexual harassment. The specific definitions of sexual harassment and sexual violence, including examples of such conduct, are set forth below.

Scope

This policy applies to all College employees, including staff, faculty, and administrators; students; applicants for employment; customers; third-party contractors; and all other persons that participate in the College's educational programs and activities, including third-party visitors on campus (the "College Community"). This policy prohibits sex discrimination, sexual harassment, and sexual violence when the complainant and alleged perpetrator are members of the same or opposite sex, and it applies regardless of national origin, immigration status, or citizenship status. The College's prohibition on sex discrimination, sexual harassment, and sexual violence extends to all aspects of its educational programs and activities, including, but not limited to, admissions, employment, academics, and student services.

The College has jurisdiction over conduct covered by this policy that occurred on campus, during or at an official College program or activity (regardless of location), or off campus when the conduct could create a hostile environment on campus. The College will investigate all complaints made under this policy and, if necessary, take action to prevent the recurrence of sex discrimination and remedy its effects.

Title IX Statement

It is the policy of the College to comply with Title IX of the Education Amendments of 1972 and its implementing regulations, which prohibit discrimination based on sex in the College's educational programs and activities. Title IX and its implementing regulations also prohibit retaliation for asserting claims of sex discrimination. The College has designated the following Title IX Coordinator to coordinate its compliance with Title IX and to receive inquiries regarding Title IX, including complaints of sex discrimination:

Cindy Cantrall, Facilitator, HSHS St. John's Hospital People Services
800 E. Carpenter St. Springfield, IL
217-814-8229
Cindy.Cantrall@hshs.org

A person may also file a complaint of sex discrimination with the United States Department of Education's Office for Civil Rights regarding an alleged violation of Title IX by visiting www2.ed.gov/about/offices/list/ocr/complaintintro.html or by calling 1-800-421-3481.

SEXUAL MISCONDUCT

"Sexual misconduct" is an umbrella term covering sex discrimination, sexual harassment, sexual violence, domestic violence, dating violence, and stalking. This term will be used throughout the remainder of this policy and the Complaint Resolution Procedures when collectively referring to these types of conduct.

Sexual Harassment

Definition of Sexual Harassment

Sexual harassment is unwelcome conduct of a sexual nature and includes sexual advances, requests for sexual favors, and other verbal, physical, visual, or digital conduct of a sexual nature when:

Submission to such conduct is made or threatened to be made, either explicitly or implicitly, a term or condition of an individual's employment or education

Submission to or rejection of such conduct by an individual is used or threatened to be used as the basis for academic or employment decisions affecting that individual, or

Such conduct has the purpose or effect of substantially interfering with an individual's academic or professional performance or creating what a reasonable person would perceive as an intimidating, hostile, or offensive employment, education, or living environment

Examples of Sexual Harassment

Pressure for a dating, romantic, or intimate relationship

Unwelcome touching, kissing, hugging, rubbing, or massaging

Pressure for sexual activity

Unnecessary references to parts of the body

Sexual innuendos, jokes, humor, or gestures

Displaying sexual graffiti, pictures, videos or posters

Using sexually explicit profanity

Asking about, or telling about, sexual fantasies, sexual preferences, or sexual activities

Social media use that violates this policy

Sending sexually explicit emails or text messages

Commenting on a person's dress in a sexual manner

Giving unwelcome personal gifts such as flowers, chocolates, or lingerie that suggest the desire for a romantic relationship

Commenting on a person's body, gender, sexual relationships, or sexual activities

Sexual violence (as defined below)

Sexual Violence

Definition of Sexual Violence

Sexual violence is a particularly severe form of prohibited sexual harassment. Sexual violence includes physical sexual acts perpetrated against a person's will or where a person is incapable of giving consent because of his or her temporary or permanent mental or physical incapacity, because he or she is below the minimum age of consent in the applicable jurisdiction, or because of his or her incapacitation due to the use of drugs and/or alcohol. Other types of conduct may also constitute sexual violence.

Examples of Sexual Violence

Rape or sexual assault: sexual intercourse (anal, oral, or vaginal) by a man or woman upon a man or woman without consent

The use of force or coercion to effect sexual intercourse or some other form of sexual contact with a person who has not given consent

Unwilling sexual penetration or other sexual touching with any object or body part that is committed by force, threat, intimidation, or otherwise without consent

Having sexual intercourse with a person who is unconscious because of drug or alcohol use

Hazing that involves penetrating a person's vagina or anus with an object

Sexual exploitation, which includes, but is not limited to, the following:

Sexual voyeurism

Use of the "date rape drug" to effect sexual intercourse or some other form of sexual contact with a person

Knowingly transmitting a sexually transmitted disease such as HIV to another person through sexual activity

Secretly videotaping or photographing sexual activity where the other party has not consented

Disseminating sexual pictures or videos of another person without consent regardless if the pictures or videos were obtained with consent

Prostituting another person

Consent

Lack of consent is a critical factor in determining whether sexual violence has occurred. Consent is informed, freely given, and mutually understood. Consent requires an affirmative act or statement by each participant. Consent is not passive.

If coercion, intimidation, threats, and/or physical force are used, there is no consent (regardless of whether there was verbal or physical resistance)

If a person is mentally or physically incapacitated or impaired by alcohol or drugs such that the person cannot understand the fact, nature, or extent of the sexual situation, there is no consent

Warning signs of when a person may be incapacitated due to drug and/or alcohol use include: slurred speech, falling down, passing out, and vomiting

If a person is asleep or unconscious, there is no consent

If a person is below the minimum age of consent in the applicable jurisdiction, there cannot be consent

Consent to one form of sexual activity does not imply consent to other forms of sexual activity

Consent can be withdrawn. A person who initially consents to sexual activity is deemed not to have consented to any sexual activity that occurs after he or she withdraws consent

Being in a romantic relationship with someone does not imply consent to any form of sexual activity

Past consent to sexual activity does not constitute consent to future sexual activity

A person's manner of dress does not constitute consent

Effective consent may not exist when there is a disparity in power between the parties (e.g., faculty/student, supervisor/employee)

Domestic Violence, Dating Violence, and Stalking

The crimes of domestic violence, dating violence and stalking can also constitute sexual misconduct when motivated by a person's sex. These crimes, no matter the motivation behind them, are a violation of this policy.

Domestic Violence

"Domestic violence" includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of a victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse or the victim under the domestic or family violence laws of the jurisdiction [...], or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.

Under Illinois law, the crime of domestic violence is referred to as "domestic battery." This definition can be found at 720 Ill. Comp. Stat. 5/12-0.1 and 5/12-3.2.

Dating Violence

"Dating violence" means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship shall be determined based on a consideration of the length of the relationship, the type of the relationship, and the frequency of interaction between the persons involved in the relationship.

Illinois law does not specifically define dating violence, but conduct of this nature is covered by the definition of domestic battery found at 720 Ill. Comp. Stat. 5/12-0.1 and 5/12-3.2.

Stalking

"Stalking" means engaging in a course of conduct directed at a specific person that would cause a reasonable person to (A) fear for his or her safety or the safety of others; or (B) suffer substantial emotional distress.

Stalking can include conduct that occurs via social media (i.e., "cyberstalking")

The definition of stalking under Illinois law can be found at 720 Ill. Comp. Stat. 5/12-7.3.

Roles and Responsibilities

Title IX Coordinator

It is the responsibility of the Title IX Coordinator to: (1) ensure the College's compliance with Title IX; (2) identify and address any patterns or systemic problems of sexual misconduct at the College; (3) coordinate dissemination of information and education and training programs; (4) receive complaints under this policy; (5) assist members of the College Community in understanding that sexual misconduct is prohibited by this policy; (6) answer questions about this policy; (7) ensure that employees and students are aware of the procedures for reporting and addressing complaints of sexual misconduct; and (8) to implement the Complaint Resolution Procedures or to designate appropriate persons for implementing the Complaint Resolution Procedures.

Administrators, Deans, Department Chairs, and Other Managers

It is the responsibility of administrators, deans, department chairs, and other managers (i.e., those that formally supervise other employees) to:

Inform employees under their direction or supervision of this policy

Work with the Title IX Coordinator to implement education and training programs for employees and students

Implement any corrective actions that are imposed as a result of findings of a violation of this policy

Employees

Throughout this policy, the term “employees” includes all faculty, staff, and administrators. It is the responsibility of employees to review this policy and comply with it.

Students

It is the responsibility of students to review this policy and comply with it.

The College

When the College is aware that a member of the College Community may have been subjected to or affected by conduct that violates this policy, the College will take prompt action, including a review of the matter and, if necessary, an investigation and appropriate steps to stop and remedy the sexual misconduct. The College will act in accordance with its Complaint Resolution Procedures.

Complaints

Employees

All College employees have a duty to report sexual misconduct to the Title IX Coordinator when they receive a report of such conduct, witness such conduct, or otherwise obtain information about such conduct. This includes employees who may have a professional license requiring confidentiality if they are not employed by the College in that professional role. An employee not reporting sexual misconduct as required by this policy may be disciplined accordingly, up to and including termination.

This section does not apply to those identified in Section VI.A.5 of this policy.

Students

Students who wish to report sexual misconduct should file a complaint with the Title IX Coordinator. Students should be aware that all employees at the College, other than those identified in Section VI.A.5 below, have an obligation to report sexual misconduct that they become aware of or witness.

Students may also file a complaint with the United States Department of Education’s Office for Civil Rights, as set forth in Section III above.

Other Persons

Any other persons, including third parties and bystanders, who wish to report sexual misconduct should file a complaint with the Title IX Coordinator. They may also file a complaint with the United States Department of Education’s Office for Civil Rights, as set forth in Section III above.

Other Reporting Options

Reports of sexual misconduct can also be reported as follows:

HSHS St. John's Hospital Security-Emergency extension 111 or 911
Values Line 866-435-5777

The HSHS Values Line is an anonymous, confidential 24/7 tool you can use to report noncompliant or unethical behavior without the fear of retaliation.

To file a report, call toll free 866-435-5777, or visit the website at <http://hshsvalueline.ethicspoint.com>

Employees may not fulfill their mandatory reporting obligation using the anonymous reporting mechanism.

Confidential Discussions

If a victim desires to talk confidentially about his or her situation, there are resources available. The following resources are available to assist you and will not further disclose the information you provide, unless otherwise required to do so by law (e.g., if the victim is a minor):

Student Assistance Program Counselors (217) 744-2255 or 800-879-7005

There are also other confidential resources available. The following resources are available to assist you as well. While these resources will maintain your confidentiality, they are required to make a non-identifying report to the Title IX Coordinator so that the College can analyze whether there are patterns or systemic problems of sexual misconduct on campus. These resources are:

Prairie Center Against Sexual Assault 24 hour hotline (217) 753-8081

Content of the Complaint

So that the College has sufficient information to investigate a complaint, the complaint should include: (1) the date(s) and time(s) of the alleged conduct; (2) the names of all person(s) involved in the alleged conduct, including possible witnesses; (3) all details outlining what happened; and (4) contact information for the complainant so that the College may follow up appropriately.

Information Provided to Complainant and Respondent

A complainant who makes a claim of sexual misconduct to the College will be given a copy of the document titled "Rights and Options After Filing a Complaint Under the College's Sexual Misconduct Policy." This document provides information about this policy and the Complaint Resolution Procedures used to investigate and resolve complaints of sexual misconduct, options for filing complaints with the local police, resources that are available on campus and in the community, etc. A person against whom a complaint has been filed will also be given similar information about the process and resources.

Conduct that Constitutes a Crime

Any person who wishes to make a complaint of sexual misconduct that also constitutes a crime—including sexual violence, domestic violence, dating violence, or stalking—is encouraged to make a complaint to local law enforcement. If requested, the College will assist the complainant in notifying the appropriate

law enforcement authorities. In the event of an emergency, please contact 911. For non-emergencies, the Springfield Police Department can also be reached at 217-788-8311. A victim may decline to notify such authorities.

Special Guidance Concerning Complaints of Sexual Violence, Domestic Violence, Dating Violence, or Stalking

If you are the victim of sexual violence (including sexual assault), domestic violence, dating violence, or stalking, do not blame yourself. These crimes are never the victim's fault. When physical violence of a sexual nature has been perpetrated against you, the College recommends that you immediately go to the emergency room of a local hospital and contact local law enforcement, in addition to making a prompt complaint under this policy.

If you are the victim of sexual violence, domestic violence, or dating violence, do everything possible to preserve evidence by making certain that the crime scene is not disturbed. Preservation of evidence may be necessary for proof of the crime or in obtaining a protection order. As necessary to preserve evidence, victims of sexual violence, domestic violence, or dating violence should not bathe, urinate, douche, brush teeth, or drink liquids until after they are examined and, if necessary, a medical forensic examination is completed. Clothes should not be changed. When necessary, seek immediate medical attention at an area hospital and take a full change of clothing, including shoes, for use after a medical examination.

The nearest medical facility where a victim may have a medical forensic examination completed at no cost is:

***HSHS St. John's Hospital Emergency Department
800 E. Carpenter St. Springfield, IL 62769
217-544-6464***

A victim may also wish to contact a sexual assault crisis center. Contact information for these resources is as follows:

Prairie Center Against Sexual Assault is a not-for-profit agency that provides comprehensive sexual assault services to sexual assault and sexual abuse victims (survivors), their families, and their friends.

***Prairie Center Against Sexual Assault: 24 hour hotline (217) 753-8081
3 W Old State Capitol Plaza, Springfield, IL 62701; (217) 744-2560***

It is also important to take steps to preserve evidence in cases of stalking, to the extent such evidence exists. In cases of stalking, evidence is more likely to be in the form of letters, emails, text messages, etc., rather than evidence of physical contact and violence.

Once a complaint of sexual violence, domestic violence, dating violence, or stalking is made, the complainant has several options such as, but not limited to:

- Contacting parents or a relative
- Seeking legal advice
- Seeking personal counseling (always recommended)
- Pursuing legal action against the perpetrator

Pursuing disciplinary action through the College

Requesting that no further action be taken

Requesting further information about the College's policy and procedures for addressing sexual misconduct

Requesting further information about available resources

Vendors, Contractors, and Third-Parties

This policy applies to the conduct of vendors, contractors, and third parties. Members of the College Community who believe they have been subject to sexual misconduct in violation of this policy by a vendor, contractor, or other third party can make a complaint in the manner set forth in this section.

Retaliation

It is a violation of this policy to retaliate against any member of the College Community who reports or assists in making a complaint of sexual misconduct or who participates in the investigation of a complaint in any way. Persons who believe they have been retaliated against in violation of this policy should make a complaint in the manner set forth in this section.

Protecting the Complainant

Pending final outcome of an investigation in accordance with the Complaint Resolution Procedures, the College will take steps to protect the complainant from further discrimination or harassment. This may include assisting and allowing the complainant to change his or her academic, transportation, or work situation, to the extent that the College has control over these environments, if options to do so are reasonably available and upon request of the complainant. Such changes may be available regardless of whether the victim chooses to report the crime to Campus Security or local law enforcement. Requests to change an academic, living, transportation, or work situation, or for any other protective measure, should be made to the Title IX Coordinator.

If a complainant has obtained an ex parte order of protection, full order of protection, or any other temporary restraining order or no contact order against the alleged perpetrator from a criminal, civil, or tribal court, the complainant should provide such information to the Title IX Coordinator. The College, in conjunction with Campus Security, will take all reasonable and legal action to implement the order.

Amnesty

The College recognizes that an individual who has been drinking alcohol or using drugs may be hesitant to report sexual misconduct. To encourage reporting, the College will not take disciplinary action for drug or alcohol use, or any other student conduct violation, against an individual making a good faith report of sexual misconduct, either as the complainant or as a witness, provided that these conduct violations did not and do not place the health or safety of any other person at risk. The College may, however, require the reporting individual attend a course or pursue other educational interventions related to alcohol and drugs.

The College's commitment to amnesty in these situations does not prevent action by police or other legal authorities against an individual who has illegally consumed alcohol or drugs.

Timing of Complaints

The College encourages persons to make complaints of sexual misconduct as soon as possible because late reporting may limit the College's ability to investigate and respond to the conduct complained of.

Investigation and Confidentiality

All complaints of sexual misconduct will be promptly and thoroughly investigated in accordance with the Complaint Resolution Procedures, and the College will take disciplinary action where appropriate. The College will make reasonable and appropriate efforts to preserve an individual's privacy and protect the confidentiality of information when investigating and resolving a complaint. However, because of laws relating to reporting and other state and federal laws, the College cannot guarantee confidentiality to those who make complaints.

In the event a complainant requests confidentiality or asks that a complaint not be investigated, the College will take all reasonable steps to investigate and respond to the complaint consistent with the request for confidentiality or request not to pursue an investigation. If a complainant insists that his or her name not be disclosed to the alleged perpetrator, the College's ability to respond may be limited. The College reserves the right to initiate an investigation despite a complainant's request for confidentiality in limited circumstances involving serious or repeated conduct or where the alleged perpetrator may pose a continuing threat to the College Community.

The Title IX Coordinator is the person responsible for evaluating requests for confidentiality. The Title IX Coordinator may consult with other appropriate College officials and legal counsel as necessary.

Resolution

If a complaint of sexual misconduct is found to be substantiated, the College will take appropriate corrective and remedial action to prevent the recurrence of the conduct and correct its discriminatory effects. Students and employees found to be in violation of this policy will be subject to discipline up to and including written reprimand, probation, suspension, demotion, termination, or expulsion. Affiliates and program participants may be removed from College programs and/or prevented from returning to campus. Remedial steps may also include counseling for the complainant, academic, transportation, work, or living accommodations for the complainant, separation of the parties, and training for the respondent and other persons.

Bad Faith Complaints

While the College encourages all good faith complaints of sexual misconduct, the College has the responsibility to balance the rights of all parties. Therefore, if the College's investigation reveals that a complaint was knowingly false, the complaint will be dismissed and the person who filed the knowingly false complaint may be subject to discipline.

Academic Freedom

While the College is committed to the principles of free inquiry and free expression, sexual misconduct is neither legally protected expression nor the proper exercise of academic freedom.

Education

Because the College recognizes that the prevention of sexual misconduct is important, it offers educational programming to a variety of groups such as: campus personnel; incoming students and new employees participating in orientation; and members of student organizations. Among other elements, such training will cover relevant definitions, procedures, and sanctions; will provide safe and positive options for bystander intervention; and will provide risk reduction information, including recognizing warning signs of abusive behavior and how to avoid potential attacks. To learn more about education resources, please contact the Title IX Coordinator.

Sexual Misconduct Complaint Resolution Procedures

General Principles

Applicability

These Complaint Resolution Procedures apply to the resolution of all reports under the Sexual Misconduct Policy. They apply to the resolution of complaints against students, faculty, administrators, staff, and third parties, and they are the exclusive means of resolving complaints of sexual misconduct.

Administration

For purposes of these Complaint Resolution Procedures, “Investigating Officer” means the individual(s) designated by the Title IX Coordinator to investigate a particular complaint. The Investigating Officer shall have responsibility for administering these Complaint Resolution Procedures.

Promptness, Fairness and Impartiality

These procedures provide for prompt, fair, and impartial investigations and resolutions. The Investigating Officer, and Appellate Officer if applicable, shall discharge his or her obligations under these Complaint Resolution Procedures fairly and impartially. If the Investigating Officer, or Appellate Officer if applicable, determines that he or she cannot apply these procedures fairly and impartially because of the identity of a complainant, respondent, or witness, or due to any other conflict of interest, another appropriate individual will be designated to administer these procedures. Complainants and respondents can also raise concerns of conflict of interest and request a substitution.

Training

These procedures will be implemented by officials who receive annual training on the issues related to sexual misconduct, domestic violence, dating violence, and stalking, implementation of these procedures, and how to conduct an investigation that protects the safety of victims and promotes accountability.

Investigation and Resolution of the Complaint

Preliminary Matters

Timing of the Investigation

The College will endeavor to conclude its investigation and resolution of the complaint within sixty (60) calendar days of receiving it. Both the complainant and the respondent will be given periodic updates

regarding the status of the investigation. If either the complainant or respondent needs additional time to prepare or to gather their witnesses or information, they shall notify the Investigating Officer in writing explaining how much additional time is needed and why it is needed. The Investigating Officer shall respond to any such request within three (3) days.

Informal Resolution

Informal means of resolution, such as mediation, may be used in lieu of the formal investigation and determination procedure. The following standards apply to any informal resolution method that is utilized:

Can only be used with the complainant's voluntary cooperation and the involvement of the Title IX Coordinator

The complainant will not be required to work out the problem directly with the respondent

Either party may terminate the informal process at any time and elevate the complaint to the formal investigation procedures described below

Informal means, even on a voluntary basis, will not be used to resolve complaints alleging any form of sexual violence

Interim Measures

At any time during the investigation, the Investigating Officer may determine that interim remedies or protections for the parties involved or witnesses are appropriate. These interim remedies may include separating the parties, placing limitations on contact between the parties, suspension, or making alternative class-placement or workplace arrangements. Failure to comply with the terms of these interim remedies or protections may constitute a separate violation of the Sexual Misconduct Policy.

Support Person/Advisor

During the investigation process, both a complainant and a respondent may ask a support person/advisor to accompany him or her at all stages of the process. In cases involving multiple complainants or respondents, the support person/advisor cannot be another complainant or respondent. The support person/advisor does not serve as an advocate on behalf of the complainant or respondent, may not be actively involved in any proceedings, and must agree to maintain the confidentiality of the process. A support person/advisor may be removed if he or she becomes disruptive or does not abide by the limitations discussed in this paragraph. Additionally, the College may disallow a particular support person/advisor from attending a meeting or other proceeding if his or her involvement will result in an undue delay. A support person/advisor will be asked to sign an affirmation that he or she understands his or her role in the process.

Pending Criminal Investigation

Some instances of sexual misconduct may also constitute criminal conduct. In such instances, the complainant is also encouraged to file a report with the appropriate law enforcement authorities and, if requested, the College will assist the complainant in doing so. The pendency of a criminal investigation, however, does not relieve the College of its responsibilities under Title IX. Therefore, to the extent doing so does not interfere with any criminal investigation, the College will proceed with its own investigation and resolution of the complaint.

Rights of the Parties

During the investigation and resolution of a complaint, the complainant and respondent shall have equal rights. They include:

- Equal opportunity to identify and have considered witnesses and other relevant evidence
- Similar and timely access to all information considered by the Investigating Officer
- Equal opportunity to review any statements or evidence provided by the other party
- Equal access to review and comment upon any information independently developed by the Investigating Officer should the Investigating Officer share such information with the other party
- Equal opportunity to appeal determinations pursuant to Section III, below

Commencement of the Investigation

Once a complaint is made, the Investigating Officer will commence an investigation of it as soon as practicable, but not later than seven (7) days after the complaint is made. This includes notifying the respondent that a complaint has been filed. The purpose of the investigation is to determine whether it is more likely than not that the alleged behavior occurred and, if so, whether it constitutes sexual misconduct. During the course of the investigation, the Investigating Officer may receive counsel from College administrators, the College's attorneys, or other parties as needed.

In certain narrow circumstances, the Investigating Officer may commence an investigation even if the complainant requests that the matter not be pursued. In such a circumstance, the Investigating Officer will take all reasonable steps to investigate and respond to the matter in a manner that is informed by the complainant's articulated concerns.

Content of the Investigation

During the investigation, the complainant will have the opportunity to describe his or her allegations and present supporting witnesses or other evidence. The respondent will have the opportunity to respond to the allegations and present supporting witnesses or other evidence. The Investigating Officer will review the statements and evidence presented and may, depending on the circumstances, interview others with relevant knowledge, review documentary materials, and take any other appropriate action to gather and consider information relevant to the complaint. All parties and witnesses involved in the investigation are expected to cooperate and provide complete and truthful information.

Resolution

At the conclusion of the investigation, the Investigating Officer will prepare a written report. The written report will explain the scope of the investigation, identify findings of fact, and state whether any allegations in the complaint were found to be substantiated by a preponderance of the evidence. The report will be provided to the Title IX Coordinator.

If the written report determines that sexual misconduct occurred, the Title IX Coordinator shall set forth in an addendum to the written report those steps necessary to maintain an environment free from discrimination and harassment and to protect the safety and well-being of the complainant and other members of the College Community. Such actions will also include reasonable steps to correct the effects

of such conduct on the complainant and others and to prevent the recurrence of discrimination, harassment, and retaliation. Examples of such action include: no-contact orders, classroom reassignment, the provision of counseling or other support services, training, and discipline for the perpetrator, including up to termination, expulsion, or other appropriate institutional sanctions.

The complainant and the respondent will receive a copy of the written report and any addendum within three (3) days of its completion. If necessary, the version of the addendum provided to the complainant and/or respondent will be redacted to ensure that information concerning any remedial and/or disciplinary measures is disclosed in a manner consistent with Title IX, the Family Educational Rights and Privacy Act ("FERPA"), and the Clery Act, as explained by the April 4, 2011 Dear Colleague Letter issued by the U.S. Department of Education, available at <http://www2.ed.gov/about/offices/list/ocr/letters/colleague-201104.pdf>. The parties will also be provided with information regarding appeal rights.

The written report of the Investigating Officer, and the addendum if applicable, shall be final subject only to the right of appeal set forth in Section III, below.

Special Procedure Concerning Complaints Against the Chancellor, the Title IX Coordinator, or Other Administrators Ranked Higher than the Title IX Coordinator

If a complaint involves alleged conduct on the part of the College's President, the College's Board of Directors ("Board") will designate the Investigating Officer. Based on the information gathered by the investigation, the Board will prepare and issue the written report determining the complaint. The determination of the Board is final and not subject to appeal.

If a complaint involves alleged conduct on the part of the Title IX Coordinator or any administrator ranked higher than the Title IX Coordinator, the Chancellor will designate the Investigating Officer. Based on the information gathered by the investigation, the Chancellor will prepare and issue the written report determining the complaint. The determination of the President is final and not subject to appeal.

Appeals

Grounds for Appeal

The complainant or respondent may appeal the determination of a complaint only on the following grounds:

There is a substantial likelihood that newly discovered information, not available at the time evidence was presented to the Investigating Officer, would result in a different decision

There was a procedural error significant enough to call the outcome into question

There was a clear error in factual findings

Bias or prejudice on the part of the Investigating Officer, or

The punishment or the corrective action imposed is disproportionate to the offense

Method of Appeal

Appeals must be filed with the Chancellor ("Appellate Officer") within seven (7) days of receipt of the written report determining the outcome of the complaint. The appeal must be in writing and contain the following:

Name of the complainant

Name of the respondent

A statement of the determination of the complaint, including corrective action if any

A detailed statement of the basis for the appeal including the specific facts, circumstances, and argument in support of it, and

Requested action, if any

The appellant may request a meeting with the Appellate Officer, but the decision to grant a meeting is within the Appellate Officer's discretion. However, if a meeting is granted, then the other party will be granted a similar opportunity.

Resolution of the Appeal

The Appellate Officer will resolve the appeal within ten (10) days of receiving it and may take any and all actions that he/she determines to be in the interest of a fair and just decision. The parties will be notified in writing if the Appellate Officer's decision will take longer than 10 days. The decision of the Appellate Officer is final. The Appellate Officer shall issue a short and plain, written statement of the resolution of the appeal, including any changes made to the Investigating Officer's previous written determination and/or the sanctions and remedial measures imposed. The written statement shall be provided to the complainant, respondent, and the Title IX Coordinator within three (3) days of the resolution.

Documentation

Throughout all stages of the investigation, resolution, and appeal, the Investigating Officer, the Title IX Coordinator, and the Appellate Officer, as the case may be, are responsible for maintaining documentation of the investigation and appeal, including documentation of all proceedings conducted under these Complaint Resolution Procedures, which may include written findings of fact, transcripts, and audio recordings.

Intersection With Other Procedures

These complaint resolution procedures are the exclusive means of resolving complaints alleging violations of the Sexual Misconduct Policy. To the extent there are any inconsistencies between these complaint resolution procedures and other College grievance, complaint, or discipline procedures, these complaint resolution procedures will control the resolution of complaints alleging violations of the Sexual Misconduct Policy.

Family Education Rights and Privacy Act (FERPA)

I. Introduction

The Family Educational Rights and Privacy Act of 1974(FERPA) is a federal privacy law affording students certain rights with respect to their education records. St. John's College strives for full compliance with this law. The Admissions Officer/Registrar serves as the institutional FERPA Compliance Officer.

II. Definition of Education Records

The definition of "education records" is any record maintained by the College that is directly related to a student. However, there are some caveats, and the following types of records are not included within the definition of education records:

- Records kept in the sole possession of the maker, that are used only as a personal memory aid, and are not accessible or revealed to any other person except a temporary substitute for the maker of the record;
- Records of the College's law enforcement unit that are created by it for law enforcement purposes and maintained by it;
- Records relating to an individual who is employed by the College (except if the individual is a student employed as a result of his or her status as a student) that are made and maintained in the normal course of business, relate exclusively to the individual in that individual's capacity as an employee and are not available for any other purpose;
- Records on a student 18 years of age or older made or maintained by a physician, psychiatrist, psychologist or other recognized professional or paraprofessional acting in his or her professional capacity or assisting in a paraprofessional capacity so long as the records are made, maintained or used only in connection with treatment of the student and are disclosed only to individuals providing treatment;
- Records created or received by this College after the student is no longer in attendance and are not directly related to the individual's attendance as a student.

III. Student Rights Under FERPA

Students at St. John's College have the following rights under FERPA:

1. The right to inspect and review the student's education records within 45 days of the day the College receives a request for access. A student should submit to the Admissions Officer/Registrar a written request that identifies the record(s) the student wishes to inspect. If the Admissions Officer/Registrar does not maintain the records, he or she shall advise the student of the correct official to whom the request should be addressed. The Admissions Officer/Registrar, or other appropriate College official, will make arrangements for access and notify the student of the time and place where the records may be inspected. The College

reserves the right to have a school official present during a student's review of his or her education records.

- This right of inspection and access does not extend to the financial records of a student's parents. Also, certain restrictions apply to a student's access to confidential letters and confidential statements of recommendation placed in a student's education records.
2. The right to request the amendment of the student's education records that the student believes is inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. A student who wishes to ask the College to amend a record should write the College official responsible for the record, clearly identify the part of the record the student wants changed, and specify why it should be changed. If the College decides not to amend the record as requested, the College will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing. A student will have the opportunity to include explanatory comments with an education record that he or she believes should have been amended but the College has decided not to modify following a hearing.
 - Requesting an amendment to an education record is not the proper avenue for challenging course grades. A student may challenge a final course grade by using the College's Academic Appeals Policy.
 3. The right to provide written consent before the College discloses personally identifiable information from the student's education records, except to the extent that FERPA authorizes disclosure without consent. Below is a non-exhaustive list of parties and conditions under which FERPA allows the College to disclose education records without consent (other exceptions can be found at 34 CFR § 99.31):
 - a. To school officials with a legitimate educational interest. A school official is defined at the College as a person employed by the College in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the College has contracted as its agent to provide a service instead of using College employees or officials (such as an attorney, auditor, or collection agent); a person serving on the Board of Directors; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official typically has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the College.
 - b. To officials at another college or postsecondary institution where the student seeks or intends to enroll or has enrolled.
 - c. To appropriate parties in connection with financial aid to a student.
 - d. To accrediting organizations
 - e. To comply with a judicial order or lawfully issued subpoena.

- f. To parents of a dependent student under the Internal Revenue Code.
- g. When there is an articulable and significant threat to the health or safety of a student or other individuals.
- h. When the information has been classified by the College as “directory information” (see below for more discussion about directory information).

Students may authorize the release of education records protected by FERPA to designated parties by using the College’s FERPA form, available upon request form

- 4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the College to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

**Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-5901**

IV. Directory Information

Directory information is data about a student which can be released without prior consent because it would not generally be considered to be harmful or an invasion of privacy if disclosed. The College designates the following items as directory information: Name; address; telephone number, dates of attendance/class standing, previous institutions attended, major, degree and awards and honors.

Unless the College has been notified by the student that directory information about himself/herself is not to be released, the College may release such information at its discretion and without further permission. Note, however, that the College reserves the right to not disclose directory information in some situations or may choose to limit the scope of the release to specific parties, for specific purposes, or both, even if a student has not opted-out of such disclosures. Students who do not wish to permit the distribution of such information should notify the Admissions Officer/Registrar within two weeks of the start of classes each semester. Students may request that all or part of his or her directory information not be released.

The College will honor all requests to withhold any of the categories of directory information listed in the completed form, but will not assume any responsibility to contact the student for subsequent permission to release that information. Regardless of the effect on the student, the College assumes no liability for honoring a request of the student to restrict the disclosure of directory information.

Notwithstanding the above, a student may not opt-out of the disclosure of the student’s name, identifier or College email address in a class in which the student is enrolled.

Transcripts

The first transcript of a record is issued free of charge to currently enrolled students. There is a \$3.00 fee for each transcript thereafter. Transcripts are sent only with written permission of the student or graduate. Student accounts must be free and clear of financial and/or institutional holds before transcript requests are honored. Transcript request forms are available on the college website and at the college's reception desk. Transcripts are generally processed within a week of receipt of written request and payment.

Health/Accident Insurance

All students are required to be protected by health insurance. Proof of current coverage must be submitted **annually**. Those students not in compliance with these requirements by the specified timeframes will be prevented from attending clinical placements.

Malpractice Insurance

It is required that all students engaged in patient contact have malpractice insurance. Proof of malpractice insurance shall be submitted prior to attending clinical experiences. Policy coverage must be for: personal student professional liability insurance of at least One Million Dollars (\$1,000,000.00) per occurrence or claim and Three Million Dollars (\$3,000,000.00) in the aggregate.

CPR Certification

Entering students are required to complete American Heart Association CPR training **annually** with a health care provider card prior to the final acceptance to the College. Continuing students are required to complete American Heart Association CPR training **annually** with a health care provider card. Those students not in compliance with these requirements by the specified timeframes will be prevented from attending clinical placements and will be considered absent.

Dress Code

Students project an image of the college as they engage in practice settings. Part of nursing education is to socialize an individual who aspires to become a professional nurse.

General Dress Code for all Clinical Experiences unless otherwise directed by the course syllabus:

1. Students in the clinical area are to be in complete uniform. Complete uniform means the College uniform skirt or pantsuit, white hosiery or knee high socks (no designer hose, bulky stockings with dress or footies); professional white shoes.
2. Students are permitted to wear the uniform only when going back and forth to their homes or apartments. When participating in approved community activities the uniform may be worn.
3. Uniform skirt length is to the knee.
4. Hair should not hang on the collar while in uniform - an appropriate, neat hairstyle is necessary (for example, hair secured away from face and collar).
5. Students may wear the school approved short warm up jacket with the uniform.
6. Jewelry – Wedding or engagement rings and a watch may be worn. Only one pair of small post earrings in the earlobes may be worn.
7. No nail polish or acrylic nails are allowed.

8. Moderation in cosmetics and colognes is encouraged. Extremes in colognes or perfumes are not appropriate.
9. Undergarments are to be worn to assure modesty.

When wearing street clothes for clinical experiences the following regulations apply unless otherwise directed by the course syllabus.

1. White lab coat - clean, pressed and in good repair is required.
1. No barefoot sandals, spike heels, cowboy boots, moccasins are acceptable.
2. No knee socks with dress or skirt.
3. The minimum length of a skirt or dress is to the knee.
4. Skirts, dresses, blouses, etc. are to be professional in appearance.
5. Nylons must be worn with skirts/dresses. Socks may be worn with slacks.
6. No denim jeans, shorts of any kind, cut-offs or culottes.
7. Hair must be neat and off the collar.
8. No jogging suits, sweat shirts, T-shirts or sweat pants.

Criminal Background Check

All students are required to complete a criminal background check prior to enrollment to the College. Continuing students are required to complete a criminal background check prior to enrollment in clinical courses. Students who have disqualifying conditions on the background check cannot be admitted to the College as they will be unable to complete the clinical component of course requirements. The College will select the agency to do the background check. Results must be sent directly to the College. The background check is done at the expense of the student.

Illinois law provides that any individual who has been convicted of a sex offense cannot be licensed as a registered nurse or work as a health care worker in Illinois. Any registered nurse or health care worker who has been convicted of a sex offense or of a violent crime against their patients will have their license permanently revoked without a hearing.

Drug Screening

All students are required to complete a drug screening prior to enrollment in any clinical courses. Students who have disqualifying conditions on the drug screening may not be admitted to the college because they may be unable to complete the clinical component of course requirements. The college will select the agency to do the drug screening. Results must be sent directly to the college. The drug screening is done at the expense of the student.

Guidelines for Clinical Agency Orientation

1. **Objectives**
 - a. To assist the student in orientation to the clinical agency area in order that he/she clearly understands the expectations.
 - b. To assist helping the student to understand his/her role in the health care setting to ensure effective learning.
 - c. To inform the agency of the learning needs and capabilities of the students.

2. Lines of Communication and Authority

- a. Explanation of the lines of authority and chains of command.
 - i. Introduction of staff/agency members and job titles.
 - ii. Explanation of responsibilities of staff/agency members.
 - iii. Explanation to whom student is to report patient progress, problems or concerns.
 - iv. The nurse assigned to the patient retains ultimate responsibility for management of the patient's care. It is important for students to follow proper lines of authority when providing patient care. Any documentation reserved for the nurse managing the patient's care will not be signed by the student.
 - v. During orientation to the course, faculty will inform students how and where clinical assignments will be posted/communicated

3. Student Roles

- a. It is the responsibility of each student to familiarize him/herself with the hospital, community setting and College policies and procedures. These policies and procedures will govern actions in the clinical and community areas and the College respectively. St. John's Hospital policies and procedures are found in the procedure manual and directives located in the Learning Lab. Community agency policies are found in each community setting facility. College policies and procedures are found in the faculty handbook, student handbook, and student catalog.
- b. All students will be expected to practice according to professional nursing standards.
- c. The student is responsible to know his/her limitations and to communicate this information to the faculty and/or appropriate staff/agency member. The student is responsible for his/her actions. This is especially pertinent if he/she attempts to perform a nursing skill or to make a judgment beyond the student's scope of preparation and/or ability.
- d. If the student has any doubts concerning abilities; this should be discussed with the clinical faculty. It is the responsibility of the student to consult with the clinical faculty prior to making a judgment regarding performing a nursing skill. Faculty may send students out of the clinical areas if they are not properly prepared to give safe patient care.
 - i. Nursing Skills

Students are not to perform nursing skills for which they have had no preparation. (Students also need to take into consideration patient condition, student's knowledge and patient safety within the environment when performing nursing skills.) Selected skills will be practiced in a learning setting and then performed in the clinical setting under supervision of clinical faculty.
 - ii. Medications

To avoid medication errors, ALL students must have the medications they are giving to a patient checked each time by the clinical faculty. Students may never give any medications before this check has been made. Students may have medications checked by the registered nurse responsible for the patient's care if so directed by the clinical faculty. Students may not possess equipment, such as keys, nor knowledge, such as electronic codes, which access narcotic drugs but may dispense controlled substances under the supervision of a R.N. in accordance with Illinois State Law. The drug is to be removed from the Pyxis by the faculty and prepared by the student. The medication removal is countersigned in the Pyxis by the faculty and

the R.N. who is supervising. Students may not have the responsibility for counting controlled substances, nor the receiving, nor the signing for controlled substances dispensed by the Pharmacy. The student should, however, observe the R.N. performing these procedures in order to learn the legally acceptable standard.

iii. IV Solutions

Students may hang IV solutions, as determined by the faculty member (according to hospital/agency policy) with the supervision of their faculty. The IV to be hung must be checked against the physician's order each time. Students are to maintain and monitor IV sites initially with the faculty's supervision and then independently once they become proficient. Students are not permitted to independently change IV rates on IV fluids without faculty supervision. Students may perform IV venipuncture according to hospital/agency policy with the supervision of the faculty each time. Senior students in NSG446 – Professional Practice Immersion clinical are allowed to perform venipuncture with RN staff members at the discretion of NSG446 faculty. Students may flush IV lines/locks with the assistance of the faculty. The instructor or the registered nurse must check the solution every time. Students are not to use solution drawn up by other personnel. Students must document IV therapy accurately and completely in the computer and on the appropriate sheets. Students are not permitted to remove central lines, arterial lines or picc lines unless approved by faculty and under direct RN supervision.

iv. Medications

Students may hang selected IV medications at the faculty's discretion. IV medications are to be hung with faculty supervision every time or RN supervision as determined by the faculty member. Students are responsible for knowing the category, side effects, nursing implications and administration rate of the drug prior to administration.

v. Blood and Blood Components

Students are not permitted to hang blood or blood components. However, students are encouraged to observe the registered nurse in his/her role with preparation, assembly of equipment and safety checks prior to administration. Students also observe the nurse and their assessments before, during, and after blood administration.

vi. Autopsy Observation

Students attending an autopsy are to dress in uniform or lab coat. There is to be a faculty or designated person present. The faculty is to obtain permission from the pathologists' office each time students attend an autopsy. Students and faculty are expected to follow established safety procedures during the autopsy.

vii. Observational Experiences

Students will be attending observational experiences throughout the curriculum. If the experiences are predetermined, according to course requirements, the faculty will arrange the experience for the student. If, however, an observational experience

arises which correlates with classroom or clinical content, it is the student's responsibility to seek out this experience and consult with the faculty prior to scheduling the experience. Based on the type of observational experience, it may be the faculty or student's responsibility to schedule the experience. The faculty will make the final decision on whether the experience is appropriate and who will be responsible for arranging the experience. During observational experiences, students may not provide patient care. If observational experiences are in the community setting, students are not to provide transportation for patients. Students, however, will be responsible for their own transportation for these experiences.

viii. Students Witnessing Legal Documents

Students are not to witness or sign any legal documents while in the clinical or community setting. (i.e., wills, baptisms, wedding certificates, surgical permits, living wills, or power of attorney for healthcare forms).

4. Evaluation of Student Performance in the Clinical or Community Setting

- a. Evaluation of the student in the clinical or community setting is to be based upon the objectives of the course.
- b. Students will be expected to follow course objectives; they may be asked to write their own objectives for the experience. Students may be asked to evaluate their own performance in relation to these objectives independent of the faculty's evaluation.
- c. The clinical evaluation form from the student should be read and discussed after the clinical grade has been given.
- d. The clinical faculty will meet with each student individually at midterm and again at the end of the course. The purpose of this clinical evaluation is to discuss progress in nursing performance in that area to help with any problems and offer encouragement. Students and/or faculty may schedule evaluative meetings at other times as needed.
- e. Evaluation forms for the students in the clinical area should be completed and returned to the college office within one week after the close of the student's experience in that area.
- f. Faculty will follow college policy concerning evaluation of clinical performance as stated in the student catalog.
- g. Students are to keep the faculty and person managing the patient's care informed of any changes in assigned patient's status.

5. Clinical and Community Agency Assignments

- a. Learning experiences are selected for students to correlate as much as possible with current and/or past content.
- b. Experiences are assigned to meet the learning needs of the student and in accordance with his/her ability, competencies and level.
- c. Unless otherwise indicated, all student assignments are made by the clinical faculty who will consult with the appropriate management person when necessary.
- d. The student plans the nursing care for his/her patients under supervision of the faculty.
- e. The student will look to the faculty as a role model.

- f. If a faculty is absent on a clinical day, he/she will contact his/her alternate in the course to ensure coverage of students. If the alternate faculty is unable to cover clinical the students will be notified.

6. Scheduling of Clinical and Community Experiences

- a. The number of hours of clinical experience scheduled per week is dependent upon course requirements. If clinical experience is scheduled within a span of eight hours, time must be given for meals.
- b. During an eight hour work day, 30 minutes are to be allowed for meal time and 20 minute coffee break per eight hours work day.
- c. The College receptionist will report student illness to the faculty involved and the clinical area. The faculty will verify that staff know the student is absent and the assignment has been changed.
- d. The student is responsible for contacting the College before the scheduled time for clinical experience or class when he/she will be late or absent.

7. Accessing Electronic Health Records

Students may only access electronic health records of patients for which they are providing direct care. This access must be under the direction and supervision of course faculty. Students are prohibited from accessing the electronic health records of any patient not under their direct care, including his/herself, family members and friends. Unauthorized electronic health record access is a serious legal and academic violation with disciplinary consequences, and can result in fines as well as automatic dismissal from the nursing program. Health care facilities routinely audit caregiver health record access and will immediately notify the college if a student accesses a health record without proper authorization.

8. Confidentiality of Patient/Patient Information

- a. No patient data may be taken from a clinical area without first removing all identifying data such as the patient's name and room number and/or other data as specified by the clinical faculty.
- b. Students may not access patient information through computers unless they are involved in the direct care of the patient.
- c. These materials should be shredded or placed in a confidential recycling bin prior to disposal.
- d. Students are responsible for protecting any information they obtain while in a clinical setting.
- e. Students will respect patient confidentiality in regards to verbal communication both inside and outside the clinical facility.

9. Documentation

- a. All documentation on patient records as well as in the computer must be completed and up to date before the student leaves the clinical area for break, meals, or the end of the day experience.

- b. The faculty will check the student's documentation prior to placing it in the permanent record unless otherwise specified by the faculty.

10. Safety

- a. Students and faculty are expected to apply safety/security principles in the clinical/community setting to assure protection of themselves and their possessions.
- b. Students and faculty are expected to use universal precautions at all times when in contact with the patient or the patient's bodily fluids.
- c. Transferring of patients safely requires proper transfer techniques, use of good body mechanics, and adequate assistance. Students are required to have faculty present when transferring patients who require more than one person to assist them. Students may transfer patients with the aid of nursing staff if so directed by the faculty.
- d. During their nursing education, students are required to participate in various experiences in community and/or inpatient settings where they may be exposed to potentially unsafe situations. Attendance at College-sponsored personal safety programs is mandatory.

FERPA Release: Letter of Recommendation
St. John's College

Name of Student requesting letter of recommendation: _____

Student ID # _____

In accordance with the Family Educational Rights and Privacy Act of 1974 (FERPA), I, the undersigned, hereby authorize _____ [Print Recommender's Name] to write a letter of recommendation in which he/she may reference the following educational records and information:

- All Education Records
(if checking this box
there is no need to
check any other
boxes)

- Advisement Records
- Financial Aid Records

- Discipline Records
- Placement Records
- Academic Records
- Transcripts
- Grades
- GPA
- Class Attendance

- Personal Records
- Gender
- Race
- Ethnicity
- Nationality
- Library Records
- Other: _____

The letter(s) of recommendation should be sent to the following parties (*include names and addresses*):

The purpose of the letter(s) of recommendation is (*employment, scholarship application, etc.*):

I understand that (1) I have the right to not consent to the release of my education records; (2) I have the right to access such records upon request; and (3) that this release shall remain in effect until revoked by me in writing delivered to the Recommender to which the release was granted. If I do revoke this consent, the revocation shall not affect disclosures previously made by the Recommender or St. John's College prior to receipt of the written revocation.

I further understand that my consent is not required for the Recommender to disclose in a letter of recommendation any subjective observations or assessments in which he/she has of me or information classified as directory information under College policy.

_____ I waive my right to review a copy of this letter of recommendation at any time in the future.

_____ I do not waive my right to review a copy of this letter at any time.

_____ Student Signature

_____ Date

THIS INFORMATION IS RELEASED SUBJECT TO THE CONFIDENTIALITY PROVISIONS OF FERPA AND OTHER APPROPRIATE STATE AND FEDERAL LAWS AND REGULATIONS, WHICH PROHIBIT ANY FURTHER DISCLOSURE OF THIS INFORMATION WITHOUT THE SPECIFIC WRITTEN CONSENT OF THE PERSON TO WHOM IT PERTAINS, EXCEPT AS OTHERWISE PERMITTED BY SUCH REGULATION

Clinical Experiences for Pre-Licensure

Nursing Students

(HSHS St. John's Hospital)

HSHS St. John's Hospital shall provide clinical facilities for the education of nursing students.

Purpose

1. To delineate roles and responsibilities of the Division of Nursing Services and Educational Programs.
2. To cooperate with schools of nursing in providing clinical learning experiences for nursing students.

Special Instructions

Each nursing area is under the direct supervision and management of the Supervisor. All patients assigned to his/her area are the Supervisor's responsibility. In the absence of the Supervisor, the responsibility is delegated to the Assistant Supervisor or to another RN, who is considered the Charge Nurse or Nurse in Charge. The Supervisor, Assistant Supervisor or Charge Nurse assumes the over-all responsibility for the nursing care of patients to whom students are assigned; the nursing program instructor assumes responsibility for the nursing care given by students.

The Team Leader is responsible for coordinating the care of the patient and carrying out of physician's orders.

The Team Leader has limited authority to direct students regarding the administration of patient care, however, the instructor has the authority to transfer or withdraw any student when it is deemed to be in the best interest of the student, patient, hospital and/or school.

Clinical Experiences For RN to BSN Nursing Students

St. John's College, Department of Nursing RN-BSN Program
RN-BSN Student Clinical Agreement
In Preceptorship

Student Responsibilities

1. Comply with health and other professional requirements of the nursing program and selected clinical practice site prior to the start date of your clinical experience.
2. Identify appropriate candidates to serve as your preceptor.
3. Establish with preceptor and faculty the Preceptor Clinical Agreement and successfully complete the terms established within it.
4. Dress in a professional manner consistent with guidelines established at the clinical facility and wear your student identification tag.
5. Maintain open communication with faculty and preceptor.
6. Maintain accountability for your own learning experience.
7. Prepare for each clinical experience.
8. Be accountable for own nursing actions while in the clinical environment.
9. Maintain record of documented time spent in clinical area with preceptor. (form available)
10. Contact faculty by telephone or email as needed.
11. Maintain confidential information, as part of your professional code of ethics.
12. Develop knowledge and skills in the defined area of nursing practice.
13. Use problem solving and critical reasoning to incorporate scientific knowledge into the clinical practice experience.
14. Seek out appropriate learning opportunities throughout the clinical experience.
15. Complete end of course self-evaluation.
16. Adhere to agency policies and procedures.
17. Develop collaborative professional relationships with patients, the preceptor, agency personnel and other health care professional.
18. Complete clinical and course requirements.
19. Complete course evaluation.

St. John's College Department of Nursing RN-BSN Program

Clinical Preceptor Agreement

As a Clinical Preceptor, the expert nurse develops a one-to-one relationship between themselves and the RN-BSN nursing student in order to facilitate learning for the student regarding the roles and responsibilities of clinical nursing in a particular field or area of practice. The Preceptor serves as role model to the RN-BSN student nurse as he or she allows the student to work alongside them in the practice setting. The Preceptor will guide, direct and challenge the RN-BSN student nurse's thoughts and actions throughout the work experience. The students will benefit from an in-depth understanding of the specialized role of the Preceptor through exposure through daily experiences shared in the practice environment. Both satisfaction and frustration will arise from these experiences, promoting critical analysis and problem solving. The students will grow from these experiences under the guidance of their Preceptors. Preceptors often enjoy the experience of facilitating the educational process of the adult learner. Professionally, the preceptor role may assist them in advancement of their role and/or provide them recognition as an expert RN.

Characteristics of Adult Learners

1. Adult learners prefer practical knowledge, or they prefer rationale that explains why having to learn something makes it worth knowing "practical knowledge".
2. Adult learners expect to be treated with respect and are self-directed individuals.
3. Adult learners bring a vast array of life experience with them; both positive and negative.
4. Adult learners will invest great amounts of time and energy into something they want to learn or they believe is valuable to learn.

Clinical RN Preceptor applying for contract with St John's College, Department of Nursing, RN-BSN Program must process the following:

1. Must possess an unencumbered RN license from the state the RN-BSN student practices.
2. Must hold a Master's degree in nursing.
3. Must be under contract with St. John's College prior to precepting the RN-BSN student.
4. Must be experienced in the area in which they purpose to supervise the student(s).
5. Must be available to the student and the faculty for the agreed upon time specified for the student's instruction.
6. Must be known by the contracted agency as one who instructs St. John's College students and shall have the authority to prioritize their time in order to properly instruct student(s).
7. Recommended by the contracted agency as a professional who is supported in their role as a preceptor.

The RN-BSN Clinical Preceptor will

1. Have clinical expertise in a defined area/field of nursing practice.

2. Be willing to serve as a role model and facilitate student learning.
3. Orient the student to the practice environment, including identification of facility policies and procedures.
4. Provide the student with ongoing constructive feedback related to performance standards specific to student performance. Providing suggestions that will help improve student performance.
5. Contact the faculty if any problems arise related to the student's progress.
6. Communicate in an ongoing basis with the student and the faculty regarding the students' progress.
7. Provide course faculty with the formal evaluation of the student's progress as the student completes the clinical experience.
8. Serve as a role model, expert practitioner, mentor and teacher.
9. Be familiar with the responsibilities of the preceptor, faculty and student in the preceptor experience.

St. John's College Department of Nursing RN-BSN Program Clinical Preceptor Agreement

Course: _____

Preceptor: _____ Date: _____

Student: _____

Faculty: _____ Date: _____

This agreement specifies the number of clinical hours required for the student's experience.

For NSG _____ a minimum of _____ clinical contact hours is required. These hours are to be completed in a time frame agreeable to the preceptor and student. All clinical requirements need to be completed prior to the end of the course.

If the clinical hours cannot be satisfactorily completed, a conference between course faculty, preceptor, and student will occur in order to successfully resolve the issue.

Documentation of clinical hours is the responsibility of the student and is to be signed and dated by the preceptor.

Upon completion of the required clinical experience hours, the Clinical Experience Documentation is attached to this contract and filed with the Department of Nursing in the students file.

The specific learning objectives for this clinical experience are found in the course syllabus.

The student will provide personal learning experience objectives, approved by faculty, to the preceptor on the first day of the clinical experience.

It is acknowledged that completion of required clinical hours does not assure a passing clinical and/or passing grade for the course.

GENERAL POLICIES

Fire Regulations

Fire drills are held at intervals during the year. Quiet should be maintained. Walk quickly. Do not run.

In addition to the information and regulations contained in the St. John's Hospital Fire and Safety Manual, the following regulations apply to the College building.

When fire has been reported in the College, the emergency lights will begin to flash. When there is a house-wide fire drill, the public address system will announce: "This is a house-wide fire drill." The emergency lights will begin to flash.

When these alarms are activated:

1. Do not stop to collect clothing or valuables in other parts of the College.
2. Close windows and doors to the rooms and halls and leave.
3. Move quickly, quietly and carefully on the stairs. Vacate the building via the 7th or Carpenter Street door. (DO NOT exit fire exit door during drill). Do not use elevator.
4. Do not return to building until told to do so. If students are in class during a fire, evacuate the building.

If a fire is discovered in the College:

1. Go to the nearest pull station and pull handle.
2. Call 45168 (Front Desk) or 44021 (Security), give exact location of fire, what is burning and extent of fire.
3. If possible attempt to extinguish with materials at hand such as fire extinguisher or rug.
4. If unable to extinguish immediately, close windows and doors to the area to confine the fire.
5. Ask others to close all doors to other areas to prevent spread of smoke.
6. Vacate the building via the 7th or Carpenter Street door.

Fire doors to the stairs are to be kept closed at all times. Never prop these doors open or block them in any way.

Emergency Preparedness Program

In case a disaster occurs, students and faculty who are on the clinical units should participate in the disaster plan as outlined by that floor or unit. Faculty must retain responsibility for determining all student assignments in keeping with the students' abilities and level of preparation.

As defined by St. John's Hospital Emergency Operations Plan 2012, page 4:

“Within the context of this plan, a disaster is any emergency event which overwhelms or threatens to overwhelm the routine capabilities of the hospital.”

If students are in the college during a disaster, they should stay in the classroom until evacuated to a shelter area.

Communication Sources

Students are responsible for reading E-Mail **daily** and reading notices posted on the bulletin boards, especially the bulletin board on the first floor near the mail boxes which is reserved for notices of an urgent nature.

Individual mailboxes are provided for all students. These student mailboxes are to be used solely for communication within the College. They are not intended to be used as a personal mailing address for other types of business.

When individuals wish to contact College administration, faculty or staff, they may do so by using the following address:

St. John's College
729 E. Carpenter Street
Springfield, IL 62702

Faculty offices and telephone numbers are available through the receptionist; (217-525-5628)
Or email: Information@StJohnsCollegeSpringfield.edu
Fax: (217) 757-6870

Meals

Meals may be obtained from the hospital cafeteria at a reasonable price. Students must present their identification badge from the College to receive a discount.

Student Housing

As a commuter campus, St. John's College does not maintain housing for students, nor do we endorse specific housing options. However, housing is readily available within the Springfield community. Students are encouraged to utilize the information sources such as local papers and web listings in order to obtain information about rental options.

Religious Services

Students are encouraged to follow a religion of their choice. Notices of worship services and other church affiliated activities are posted. A local church directory is available and assistance in finding the churches is part of the College's orientation program.

St. John's Hospital Chapel is open to students at all times. Catholic students are encouraged to participate in the Eucharistic celebration and in the reception of the sacraments. The Student Development Officer is available to assist students in finding a church.

Chaplains of several denominations are available through the Spiritual Care Services department at St. John's Hospital or the Student Development Officer.

Identification Badges

The St. John's College identification badge must be worn whenever a student is functioning in a student role. The badge must be worn whenever a student is on College premises and is required to gain access to clinical facilities and the College. Students access the College from 6am to 6pm, Monday through Friday, by using their student identification badges and the card swipe system. Students may stay in the building until 10pm.

Transportation

Students are expected to provide their own transportation to and from the College and clinical sites. Automobile insurance must be in accord with Illinois law.

Parking

Parking for the College is provided in designated parking area. Students must abide by the parking regulations for St. John's Hospital. Parking permits are non-transferable and a fee may be assessed for lost permits. Parking privileges may be revoked for repeated parking violations. St. John's Security officers are available to students for assistance and/or escort services 24 hours a day by calling extension 44020.

Smoking

The college is a smoke-free environment. Students are not permitted to smoke on the college or hospital grounds and should follow current hospital and/or agency policy.

Student Employment Guidelines

Students who are employed while enrolled in the educational program are asked to keep in mind the following recommendations:

1. Employment should not interfere with the health or academic status of the student.
2. Employment must be separate from scheduled class hours and related activities.

3. The College uniform may not be worn in any type of employment situation nor should a student seek or accept employment in a position wherein the duties would include those requiring a license to perform.

When the College becomes aware of opportunities for student employment, notices will be posted. Students who wish to take advantage of these opportunities are responsible for contacting the potential employer.

Change of Name Procedure

A student who changes his/her name (marriage, divorce, etc.) during the educational program must:

1. Submit proper documentation (marriage license, divorce decree with name revision, etc.) of name change to the Registrar's Office.
2. Obtain a new ID card from the St. John's Hospital People Services Department.

Photographs and Video

As a student of St. John's College I may be photographed or otherwise recorded. I understand that these images of me are to be used to promote St. John's College (including internet) and that such photos or videos will become the property of St. John's College.

Career Planning and Placement

Students are exposed to various nursing roles and potential opportunities for careers throughout their educational process. Information regarding employment and educational opportunities is distributed to both faculty advisors and students through presentations and bulletin board displays.

Drug and Alcohol Policy

Use or abuse of alcohol or illegal drugs is opposed to the principles of safe care for patients and personal growth of students. Therefore, the College supports the prevention of alcohol and drug abuse in all settings and strictly prohibits use of either **by students** on college property.

Students and employees must complete a mandatory drug and alcohol abuse prevention program offered by the College. Students will not be allowed to have drugs or alcoholic beverages on the premises and will not be permitted to remain on the premises under the influence of **alcohol or drugs**. The College reserves the right to use whatever means appropriate to enforce possession and usage regulations. Such procedures shall be determined by the College administration.

If a student is found to be in possession of, using, diverting, or selling a legally controlled substance, the student will be required to meet with the College administration. At that time the student may be requested to seek professional counseling, withdraw from the program or be dismissed from the College, depending on the gravity of the situation. The appropriate authorities will be notified. Clinical agency policies concerning drugs and alcohol will be in

effect for students working in the clinical area. **Any student convicted of a felony or misdemeanor involving drugs or alcohol must notify the College administration within 5 days of such conviction. Failure to do so may result in disciplinary action.**

Visiting Patients

Students should abide by regular hospital visiting hours when visiting patients. Appropriate clothing should be worn, not uniforms. Nursing students in uniform should not visit patients after clinical working hours since visitors frequently interpret the wearing of the uniform to mean that the nursing student is on duty.

Confidentiality of Patient/Patient Information

1. No patient data may be taken from a clinical area without first obliterating all identifying data such as the patient's name and room number and/or other data as specified by the clinical faculty.
2. Students may not access patient information through computers unless they are involved in the direct care of the patient.
3. Students will respect patient confidentiality in regards to verbal communication both inside and outside the clinical facility.
4. These materials should be shredded prior to disposal.
5. Students are responsible for protecting any information they obtain while in a clinical setting.

Safety/Security Program

St. John's College will participate with the Security Department of St. John's Hospital and local law enforcement agencies to provide a security program which promotes safety on college property for students and employees. The College will distribute policies and procedures concerning access to college property, maintenance of safety and prevention of drug/alcohol use or abuse on college properties as a component of the program. SJC Emergency Operation Plan is available at the reception desk.

The safety/security program will have the following components:

1. Education for prevention of crime/injury and awareness of available resources for assistance and reporting of crime/injury. College rules and regulations concerning safety and alcohol/drug use or abuse are components of the educational program.
2. Reporting mechanisms for incidents, emergencies and potential sources of injury.
3. Monitoring/surveillance of college properties.
4. Maintenance of properties to promote safety.
5. Collection and analysis of statistical data concerning crime/injury.
6. Promulgate safety and security policies/procedures in the appropriate faculty and student publications.

The College facility consists of a two story brick building located at 729 E. Carpenter Street, Springfield, IL on the campus of St. John's Hospital. The building is open Monday through Friday with Hours of Operation from 7:30AM to 4:00 PM. Changes in the general hours are posted for students, faculty, administration and visitors. During business hours security officers are available to be summoned when assistance is needed. After the building is closed and locked, security officers will periodically check to assure there are no intruders, doors are securely locked and no other safety threats are apparent. Access after business hours is available to students for studying until 10pm Monday through Friday. An identification badge is required and security personnel will keep a log of each entry. Students access the College from 6am to 6pm, Monday through Friday, by using their student identification badges and the card swipe system. Students may stay in the building to study and use the resources until 10pm Monday through Friday.

St. John's security officers or college officials shall investigate all reports of accident, injury, and suspicious activity, infringement of law or violations of published rules and take appropriate action to maintain safety/security of individuals including citizen's arrest and/or reporting to appropriate law enforcement agencies. The College does not have procedures for voluntary, confidential reporting of crime statistics. Students or other college constituents can report such circumstances to the college receptionist (Ext 45168), administration (Ext. 45165), faculty or hospital security (544-6464 Ext. 44021). Yellow emergency phones are located in parking lots and by the front and side doors of the College. They can be used to summon help and/or report suspicious or criminal activity. When a safety threat is on-going, security or administration will post timely warnings on the college bulletin boards, send emails or place notices in student/faculty mailboxes.

Disclosure of statistics concerning Cleary Act crimes on campus shall be made available to those who request it and annually to all students, faculty and staff in the college when fall semester informational materials are distributed. These statistics include crimes occurring on the college proper and in the adjacent hospital properties. Information regarding registered sexual offenders is available upon request from the Student Development Officer or from the Illinois Sex Offender Information web site at the [Illinois Sex Offender Registration Information Website](#).

Students who come into contact with law enforcement agencies are encouraged to call the security department or college officials should they need assistance. Any and all costs associated with an incident shall be the responsibility of the student.

Students who desire counseling associated with any kind of incident may contact the Student Assistance Program personnel at (217)744-2255 or contact their faculty advisor for assistance. Counseling will be done in confidence at no expense to the students unless the counselor deems the need of the patient to be beyond the resources available in the Student Assistance Program.

Health and Safety Programs

Program Name: Orientation - Safety in the College Building/Hospital

Description: Introduction to the basic crime prevention, personal safety measures and fire safety for the hospital and college. Discuss reporting mechanisms and actions to take in case of emergency. Discuss prevention of crime, especially in relationship to leaving the building at night and parking. Access to the employee/student escort program is explained and hours Security operation of the building declared. Presented by St. John's Hospital Security Department.

Audience: Students and employees upon initial acceptance/employment.

Frequency: Students annually with each orientation.

Program Name: Fire Drills

Description: Fire drills are held in the College Building as required by hospital policy. The hospital forms are used to assess the quality of the response. Fire drills will be scheduled and implemented by a college official in cooperation with the St. John's Hospital Security Department.

Audience: students/employees

Frequency: Quarterly

Program Name: Monitoring/Surveillance

Description: St. John's Hospital security guards will patrol the College building on a regular basis on foot and in marked patrol cars. Guards can be identified by their uniforms. A student or employee may call for assistance at any time.

Audience: Students and employees

Frequency: Discussed annually at orientation and as needed throughout the year.

Program Name: Maintenance

Description: Maintenance of the College building will be coordinated by college officials on an ongoing basis and in response to any findings of the annual safety audit conducted in compliance with requirements of the hospital safety committee guidelines.

Audience: College students/employees.

Frequency: Ongoing/annually during the spring semester using hospital safety committee forms.

Program Name: Drug/Alcohol Use or Abuse Prevention

Description: This program covers the dangers of alcohol and/or drug use or abuse. The program covers the scope of the problem, symptoms, treatment and resources available on campus to assist persons engaging in use or abuse of alcohol or drugs.

Audience: Students

Frequency: Annually at the Fall Orientation and as needed.

Program Name: Sexual Assault

Description: Sexual assault, sexual abuse and/or hazing by any member of the St. John's College community will not be tolerated. The College will respond in a firm and judicious manner to all reports of alleged incidents of sexual assault, sexual abuse and hazing. Representatives of local programs who are experts in the field of Rape Crisis intervention present a program on prevention of sexual assault and procedures to follow when a sex offense occurs. Students are encouraged to find a safe place and then obtain necessary medical services immediately to get support and to preserve evidence. If the assault occurs in the college, college staff and security personnel will assist in accessing the Emergency Department and in reporting the crime. Personnel from the Student Assistance Program and/or local sexual assault programs are available for counseling and support. Students who are involved in sexual misconduct will be referred to the Student Affairs Committee for determination of disciplinary action up to and including dismissal from the college. Local law enforcement agencies will be notified as appropriate with potential criminal prosecution in state courts.

Audience: Students

Frequency: Annually

STUDENT LIFE AND SERVICES

Student Development Officer

The Student Development Officer is responsible for the student support and counseling, extracurricular and recreational services offered by the College. The Student Development Officer is responsible also for provision of services required by students to meet their developmental and support needs throughout their course of studies. This staff member works with the administration and faculty to provide a climate conducive to learning for students enrolled in the College. The Student Development Officer at St. John's College of Nursing also serves in the role of "Disability Coordinator." You may contact the Student Development Officer at 217-814-5468.

Policy Statement for Students With Disabilities

The process to requesting special accommodations is to contact the Student Development Officer; she/he will then provide the student a form to take to verify disability. Once the disability is verified, the form is turned into the Student Development Officer. From there the Student Development Officer works with the Dean of Academic Affairs, the student's Academic Advisor and Faculty Chair to determine accommodations provided to the student by the college. The Student Development Officer then meets with the student to let he/she know the accommodations. The extent of the documentation may vary depending on the claimed disability and requested accommodations.

All reasonable accommodations will be granted on a case-by-case basis pursuant to an interactive process between St. John's College of Nursing and the student. Not all accommodation requests will be granted if the College will have to fundamentally alter its programs to accommodate students. Accommodations are not effective retroactively. Students will not be able to re-do assignments or re-take exams that they originally took before they asked for and received accommodations. While past accommodations history is important and will be considered, it is not decisive. At any time the College may request additional documentation even when some supporting documentation has already been provided. A student may request modifications to their already-granted accommodations at any time.

Faculty should not provide nor deny accommodations to a student for disability-related reasons without referring the student to the Student Development Office. Students should make accommodation requests to the Student Development Officer rather than making them directly to faculty members who are teaching their classes. Applicants with disabilities may provide additional information that they wish to be considered as a part of their application. This information is voluntary, will be confidentially treated and used in connection with efforts to provide reasonable accommodation for individuals with disabilities that takes into consideration the resources available to St. John's College.

Services for Students with Disabilities

Learning support services and reasonable accommodations are available to students covered under the Americans with Disabilities Act. For Accommodation services, students with disabilities are required to identify themselves to the Student Development Officer and provide documentation of the disability. In order to best meet learning needs, the student is encouraged to be proactive and meet with the Student Development Officer prior to the beginning of classes or as soon as possible thereafter.

FINANCIAL AID SERVICES

St. John's College believes that education is a continuous and unifying process by which a person develops skills, values, knowledge, and forms a behavior of positive value in the society and profession in which he/she lives and works. We believe education takes place for learners, when self-direction and personal responsibility for learning are combined with clinical and educational facilities. With this thought in mind, the institution continues to promote scholarship and loans for its qualified, deserving students who must find funds to attend. The fundamental purpose of the Office of Student Financial Assistance (OSFA) is to make it possible for students with inadequate funds who would normally be deprived of a nursing education, to attend the College.

Financial Aid

Financial assistance includes gift aid (scholarships and grants) and self-help aid (work-studies and loans) which may be offered singularly or in combination.

In selecting students to receive institutional gift aid, consideration shall be given to gift aid already available to the student from other sources. This should prohibit a concentration of gift aid among students for any single group, i.e., "the most needy of the needy." This ensures a much more equitable distribution of funds.

Selection of students to receive financial aid will be made without regard to race, color, religion, sex, national origin, ancestry, age, marital status, handicap or veteran status.

In determining a student's resources, students are asked to complete the Free Application for Federal Student Aid. The Department of Education will process their financial information through the Central Processing System (CPS) where an Expected Family Contribution (EFC) is determined. This information is forwarded to our state agency, the Illinois Student Assistance Commission (ISAC) for consideration of state aid.

The institution receives an Institutional Student Information Report (ISIR) for each applicant. Using the EFC minus the student's cost of attendance, we are able to determine a student's financial need.

The total amount of financial assistance offered a student shall not exceed his/her cost of attendance. Need for financial assistance is considered after all other resources available to the student have been explored.

Student Financial Aid Records: Confidentiality and Access

All records and conversations between an aid applicant, his/her family and the Financial Aid and Compliance Officer are confidential and entitled to the protection ordinarily given a counseling relationship. No public announcement shall be made of amounts awarded to individual students. No information concerning a student's financial aid records may be released to anyone outside the OSFA without permission of the student or the Financial Aid and Compliance Officer. The Financial Aid and Compliance Officer shall determine whose permission is required in consideration of the professional ethics surrounding each request for information. All student records will be maintained in the OSFA for a period of not less than five (5) years.

Selective Service Registration Compliance

Any student who is required to register with Selective Service must do so to be eligible for student aid under Title IV of the Higher Education Act of 1965 as amended.

Voter Registration

St. John's College, Department of Nursing, is required by the 1998 Amendment to the Higher Education Act to make a good faith effort to distribute voter registration applications to all students who are enrolled in a degree or certificate program. The voter registration requirement applies to general elections and special elections for the election of governor or other chief executives within a state and for election of federal offices. Voter Registration applications are available at: <http://www.sangamoncountyclerk.com/Elections/Register/>

Criteria for Awarding Aid

The principles and practices related to financial aid generally will require aid be awarded based on demonstrated financial need as a major criteria or requirement for eligibility. Need will be defined as the difference between the total cost of attending the institution including room and board, books, supplies, etc. and the amount the student and/or his/her family are expected to contribute. However, there will be some types of financial aid that will not include need as a criterion for eligibility. These awards could be based on merit (GPA) or could be awarded to students who have demonstrated leadership in extra-curricular activities.

Financial Aid Programs Available

Federal Pell Grant – Does not have to be repaid. This grant is available almost exclusively to undergraduate students. Student must be working towards their first bachelor's degree for consideration. Student must also demonstrate financial need as determined through your Free Application for Federal Student Aid (FAFSA) output.

Federal Supplemental Education Opportunity Grant (FSEOG) – Does not have to be repaid. To receive a FSEOG, you must attend school at least halftime and complete a FAFSA. Students with Pell eligibility are given first consideration for this award. These awards are based on financial need and are in addition to the Pell Grant. FUNDS ARE LIMITED.

Federal Work-Study (FWS) – FWS jobs allow you to earn money to apply toward your school and/or for living expenses. You must be attending school at least halftime. These awards are based on financial need as determined by completing a FAFSA and are for a specified amount of earnings.

Federal Direct Subsidized Loan – Loan must be repaid: U.S. Department of Education pays interest while borrower is in school and during grace and deferment periods; student must be attending at least half-time and demonstrate financial need; fixed rate (set annually) for new borrowers.

Federal Direct Unsubsidized Loan – Loan must be repaid: Borrower responsible for all interest; student must be at least half-time; financial need not required; fixed rate (set annually) for new borrowers.

Federal Direct Parent PLUS Loan – Loan must be repaid. For parents of dependent undergraduate students and for graduate and professional students; students must be enrolled at least half-time; financial need not required. Unsubsidized: Borrower (parents) responsible for all interest. Maximum amount is cost of attendance minus any other financial aid student receives; no minimum amount.

Federal Nursing Student Loan – The Federal Nursing Student Loan is available to students who express extreme need, based on available funding. This is a low interest loan with a fixed rate of 5%. Students should check with the financial aid office to determine their eligibility for this loan.

Private Student Loan Disclosure – Students are free to explore the lenders of their choice. The Office of Financial Assistance does not refer/recommend/suggest lenders. Students are encouraged to research multiple lenders to find the best fit for both short-term and long-term needs. If you are unsure of what to ask each lender, you are welcomed to consult the Financial Aid and Compliance Officer to explore your needs. To help students find a competitive loan, the Financial Aid office suggests students apply for a loan through Fast Choice at <https://choice.fastproducts.org/FastChoice/home/3098000>.

State of Illinois Monetary Award Program (MAP) Grant – Full or halftime students without a prior baccalaureate degree are eligible for this State Grant. The MAP Grant helps students pay tuition and mandatory fees and does not have to be repaid. To be eligible for this grant a student must complete the FAFSA, must demonstrate financial need, as determined by the Illinois Student Assistance Commission (ISAC), and must be a resident of Illinois. NOTE: Parents of dependent students must also be a resident of Illinois for their student to be eligible of this grant. Students are encouraged to apply early, eligibility alone does not guarantee these dollars, application volume and funding are also important factors.

St. John's College Department of Nursing Scholarships – St. John's College, Department of Nursing offers non-renewable need-based and merit scholarships. Institutional scholarships are established through the generosity of Alumni and Friends of the College.

Private Sources of Financial Aid –You may be able to investigate possible sources of aid in your home community. You need to take the initiative to obtain additional information regarding these resources. A starting place may be the fraternal organizations located in your community, i.e., American Legion, VFW, Knight of Columbus Lodges, etc., also, in the Reference Section of your Public Library under scholarships.

Private and Outside Scholarships/Grants

Students may receive awards that are administered by organizations outside the College. It will be the responsibility of the student to inform the OSFA of such assistance.

Private scholarship applications received by the Financial Aid Office are passed on to students as quickly as they become available. Students are encouraged to acquire as many private/outside scholarships as possible by checking resources in the public library and by contacting local civil organizations, to name a few.

For further information or appointment contact the Office of Student Financial Assistance at 217/525-5628, extension 44705. Office hours are Monday-Friday, 7:30 a.m. to 3:30 p.m.

AWARD TERMS AND CONDITIONS

General Conditions

1. Pre-nursing hours must be completed and recorded in the College Admissions Office prior to the release of federal and state assistance.
2. Awards are based on U.S. Citizenship or permanent resident and State residency requirements.
3. The award offer is determined in accordance with laws, regulations, and appropriations (existing or anticipated) of the U.S. Congress, Illinois Legislature, St. John's College and other agencies. The award(s) are subject to adjustments or cancellations if changes occur.
4. The award offer is based on financial information supplied by you and/or your family on the financial aid application. All award(s) are subject to adjustment or cancellation if your financial situation changes or if errors in the data are discovered.
5. If you attend any other post-secondary institutions during the summer preceding your enrollment at St. John's College and received financial aid for that summer term, your aid eligibility for the fall and spring terms at St. John's College may be diminished. Please be sure to notify the Financial Aid and Compliance Officer if this situation applies.
6. As a financial aid recipient you must assume the responsibility of remaining aware of the program eligibility requirements and the policies which govern the approval, disbursement, and use of the financial aid funds. You should be aware of the requirements which are specific to each financial aid program through which you receive funding. Contact the Financial Aid Office with any questions.
7. Students who are in default on student loans, have borrowed in excess of the loan limits, or owe a refund to any Title IV program are not eligible for financial aid.
8. Students must meet the Financial Aid Satisfactory Academic Progress Requirements to receive state and federal financial assistance.

Enrollment Requirements

1. Award amounts are based on the enrollment status at St. John's College.
2. Dropping courses or withdraw from St. John's College may critically affect your current or future financial aid eligibility. Students withdrawing from the College may be required to repay scholarships, grants or loans already received.
3. You must be enrolled in a degree seeking program to receive federal or state financial aid. This includes but is not exclusive of the Federal Pell Grant, Illinois Student Assistance Commission Monetary Award Program (MAP), and the Direct Stafford Loan programs.

SATISFACTORY ACADEMIC PROGRESS

Federal and state regulations require that the College establish and implement a policy to measure satisfactory academic progress toward the baccalaureate degree in nursing. The progress of Financial Aid Recipients is evaluated each semester based on qualitative standard, quantitative standard and progress based on a timeframe standard. Students must be making academic progress regardless of whether the student had previously received aid. A student's progress will be reviewed at the end of each semester.

Qualitative Standard for all programs – St. John's College defines satisfactory progress as a grade of A, B, C or Satisfactory, in didactic and/or clinical course work each semester. A minimum grade of C or Satisfactory (in **all courses**) and a minimum grade point average of 2.00 must be obtained to be considered making satisfactory academic progress.

Quantitative Standard for General Pre-licensure BSN program – Each student should matriculate at the pace of his or her plan of study. The rate of progression is shown in each of the plans below; as a student moves from one semester to the next the number of completed credit hours (bottom) should increase.

Two Year Plan:

Junior Semester 1	Junior Semester 2	Senior Semester 3	Senior Semester 4
15	16	17	18
(71/122) 59%	(87/122) 72%	(104/122) 86%	(122/122) 100%

Timeframe Standard for General Pre-licensure BSN program -- The maximum timeframe may not exceed 150% of the published length of the program measured in credit hours attempted. The published length of St. John's College – Department of Nursing is 66 credit hours. The maximum timeframe of 155 attempted credit hours include the standard 56 transfer credit hours and attempted credit hours at St. John's College – Department of Nursing, which cannot exceed 99 hours.

Quantitative Standard for Accelerated Pre-licensure BSN program – Each student should matriculate at the pace of his or her plan of study. The rate of progression is shown in each of the plans below, as a student moves from one semester to the next the number of completed credit hours (bottom row) should increase.

Two Year Plan:

Junior Semester 1	Junior Semester 2	Senior Semester 3	Senior Semester 4
18	18	12	15
(74/122) 61%	(87/122) 76%	(112/122) 86%	(122/122) 100%

Timeframe Standard for Accelerated Pre-licensure BSN program -- The maximum timeframe may not exceed 150% of the published length of the program measured in credit hours attempted. The published length of St. John’s College – Department of Nursing Accelerated Program is 66 credit hours. The maximum timeframe of 155 attempted credit hours include the standard 56 transfer credit hours and attempted credit hours at St. John’s College – Department of Nursing, which cannot exceed 99 hours.

Quantitative Standard for RN-BSN program – Each student should matriculate at the pace of his or her plan of study. The rate of progression is shown for the RN-BSN plan below; as a student moves from one semester to the next the number of completed credit hours (bottom row) should increase.

Two Year Plan:

Semester 1	Semester 2	Semester 3	Semester 4	Semester 5
6*	6	9 + 33 Credit for prior learning	6	6
(62/122) 51%	(68/122) 56%	(110/122) 91%	(116/122) 95%	(122/122) 100%

*Semester 1 formula does not include escrow credit hours. Students must satisfactorily complete 15 credit hours of RN-BSN curriculum before they are awarded 33 escrow hours, which includes hours for the following areas of content: Medical- Surgical nursing, Childbearing/Childrearing, Psychiatric Nursing, Pathophysiology/Pharmacology, Health Assessment, and Professional Practice.

Timeframe Standard for RN-BSN program -- The maximum timeframe may not exceed 150% of the published length of the program measured in credit hours attempted. The published length of St. John’s College – Department of Nursing is 33 credit hours. The maximum timeframe of 155 attempted credit hours include the standard 56 transfer credit hours, 33 escrow credit hours, and attempted credit hours at St. John’s College – Department of Nursing, which cannot exceed 50 hours.

<u>Noncompliance W/SAP</u>	<u>Academic Policy</u>	<u>Financial Aid Policy</u>
<u>1st Occurrence</u>	<u>Probation</u>	<u>Warning</u>
<u>2nd Occurrence</u>	<u>Probation</u>	<u>Cancellation</u>
<u>2nd Occurrence (Repeated Course)</u>	<u>Academic Dismissal</u>	<u>Cancellation</u>
<u>Financial Assistance Appeal</u>		<u>Probation</u>
<u>Academic Appeal</u>	<u>Granted/Not Granted</u>	<u>Probation/Cancellation</u>

Financial Aid Satisfactory Academic Progress Warning - Failure to complete the required course work with satisfactory grades in any one academic semester will result in “financial aid warning” during the next semester in which the student is enrolled. If, during the warning semester, the student completes the term with satisfactory grades, he/she will return to good standing the following term a student can receive financial assistance in the warning semester if they are enrolled in enough credit hours to be otherwise eligible for state or federal assistance.

Financial Aid Satisfactory Academic Progress Cancellation– If the student fails to complete the required course work, or receives an unsatisfactory grade during the warning semester, he/she will be sent a written denial of financial assistance for the next semester. A student, who has been terminated from assistance for not making satisfactory progress, may regain his/her eligibility by completing all previously required course work in addition to the course work for the current semester with satisfactory grades. However, the student will not receive state or federal assistance during this term. Should a student on financial assistance be reinstated and subsequently terminated a second time, he/she will not be eligible for any further assistance.

Financial Aid Satisfactory Academic Progress Probation - If the student appeals their cancellation status and the Financial Aid and Compliance Officer has determined that the student should be able to make satisfactory academic progress during the subsequent payment period, than he/she is considered to be on Financial Aid Probation.

The student must meet with their advisor to produce an academic plan that will ensure that the student is able to meet St. John’s College satisfactory academic progress standards by a specific point in time. The student and advisor must sign the academic plan. **A copy of the academic plan must be submitted to the Financial Aid and Compliance Officer prior to the next semester’s disbursement.**

Notification of Financial Aid Cancellation – The Office of Student Financial Assistance will notify, in writing, students currently receiving financial assistance through the in-house mail or direct mail (when classes are not in session) or via e-mail of their suspension from receiving aid.

Financial Aid Appeal Process – Students on Financial Aid Academic Suspension may appeal in writing to the Financial Aid and Compliance Officer, St. John’s College – Department of Nursing. The appeal letter should address specific reasons for requesting the appeal. Describe in detail:

1. The reason for past performance difficulties (including supporting documentation).
2. How the situation has changed. If it has not changed, describe how it is now being handled and supply a solution for improvement.

The written appeal must be submitted within thirty (30) calendar days of notification from the Office of Financial Assistance, or after receipt of semester grades, whichever is first. Appeals are processed on a case-by-case basis. The student’s circumstances, academic advisement and current Federal Regulations are taken into consideration. Appeal decision will be mailed within thirty (30) calendar days using the same mailing process as the notification of warning/cancellation.

Types of Financial Aid – Financial Aid Programs covered by the standards are: Federal Pell Grant, Federal Direct Loan Programs (Federal Stafford Subsidized, Federal Stafford Unsubsidized, and Federal Parent Loan for Undergraduate Students), Federal Supplemental Education Opportunity Grant (FSEOG), Federal Work Study (FWS), Federal Nursing Student Loans, and the Illinois Student Assistance Commission Monetary Award Program (MAP).

Note: The current St. John's College Academic Dismissal policy only allows a student to repeat one course during their enrollment. As such, students that are dismissed will have to appeal both the academic dismissal and financial aid cancellation.

Award Offer –Funding Distribution

1. For maximum utilization of funding from all available sources, the award offer may include estimated amounts for financial aid or entitlements.
2. You are required to report any resources which you are or will be receiving if not included on your award offer.
3. Award amounts may change if additional resources are received or an adjustment is made to your enrollment status.
4. Written authorization is required before the college applies current Title IV funds (Federal Pell & Direct Stafford Loans) to pay for educationally related activities other than tuition, fees, and contractual charges. The student's or parent's (PLUS loan) written authorization remains in effect for the entire academic year. The student or parent may modify or cancel at any time. Any modification or cancellation must be submitted in writing to the College Financial Aid Office. The school may use Title IV funds to pay for previously authorized charges that were incurred before the modification or cancellation request is received.
5. Scholarship and/or grant funds (Federal Pell, MAP, Federal Nursing Loans and Direct Stafford Loans.) will be applied directly to the student's account.
6. Direct Stafford Loan funds will be distributed through Electronic Funds Transfer to the student's individual tuition account. Parent Loans for Undergraduate Students (PLUS) are distributed to the student's account by Electronic Funds Transfer (EFT). Parents have the right to submit a written request to have any proceeds of the PLUS loan issued in a check and mailed directly to them. Processing of the refund is administered through the Administration Office at the College. All loans are multiple disbursements.
7. The student will be notified (through in-house mail and/or via e-mail) of funds applied to their tuition account and/or availability of an account credit balance or refund check. The earliest that a student or parent could receive a refund check, as result of having a credit balance, is after the tenth day of class of the current semester.
8. All tuition and fees for the applicable semester, textbook charges and all other charges due on your College account must be paid in full, prior to issuance of a refund check.

Entrance/Master Promissory Note/Exit Loan Counseling

In order to process and receive Federal Direct Subsidized, Unsubsidized, and/or a Federal Nursing Loan, students must complete entrance loan counseling. Following the completion of entrance loan counseling, students must complete a Master Promissory Note (MPN) to enable the disbursement of their requested loan. Normally, a student will complete this process as a part of their award letter acceptance. Another important part of your award letter package is the Satisfactory Academic Progress statement. It is imperative that students read and abide by this, especially when borrowing student loans. Upon graduation, borrowers must complete exit loan counseling. Failure to do so will result in holding of official and non-official transcripts, and diploma.

Federal Pell Grant

1. The amount of the Federal Pell Grant may have been estimated. Actual payment amount is determined from a valid Student Aid Report (SAR) that is electronically submitted to the Financial Aid Office.
2. The Federal Pell Grant award amount varies according to living arrangements, enrollment status and the Expected Family Contribution (EFC)
3. It is the student's responsibility to make any corrections necessary on the SAR for changes in their financial circumstances or data corrections. Changes should be made at www.fafsa.ed.gov. Please notify the Financial Aid and Compliance Officer before making the changes/corrections that need to be made, the Financial Aid and Compliance Officer may be able to assist.
4. Anticipated Federal Pell Grant payment dates will be at the beginning of each semester. Eligible students will have the Pell payment credited to their accounts during this period depending on any adjustments made to enrollment, additional resources received, and the date the authorization form was returned to the Financial Aid Office.

Direct Stafford Loan Programs

The Direct Stafford Loan Programs (Subsidized & Unsubsidized and Federal PLUS) Loans:

1. Loan information is not certified until the student has completed all loan application requirements.
2. First time Federal loan borrowers (at St. John's College) must participate in an entrance loan counseling session prior to receiving Federal Loan funds.
3. The student must be eligible for the loan and registered at least half-time at the time of disbursement.
4. If a student withdraws from a course(s) and a refund is due to the Department of Education (from the College), the refund will be issued directly to the Department. The student may also owe a return of funds to the Department or the College.
5. Upon program completion or an enrollment status of less than half-time, the student must participate in an exit counseling session or make arrangements to receive the necessary materials.

State of Illinois (IL) Monetary Award Program (MAP) Grant

To be considered for the IL MAP grant, you must complete the FAFSA as soon after January 1st of each year prior to the start of the next academic year. Please be aware that in light of state funding constraints, reductions to estimated or actual MAP grants are possible.

1. By applying for financial aid and agreeing to share that information with the Illinois Student Assistance Commission (ISAC) you have been considered for the State of Illinois (IL) Monetary Award Program (MAP) Grant.
2. If you were determined to meet the eligibility criteria for the MAP grant, an award is included on your award offer.
3. MAP grants are limited based on the number of applicants and funding levels appropriated by the Illinois General Assembly. Please be aware that in light of state funding constraints, reductions are possible.
4. If a State of Illinois MAP Grant is not included in your award letter, you are not eligible for the grant at St. John's College.
5. It is the student's responsibility to know and abide by the Rights & Responsibilities as sent by ISAC.

Federal Nursing Loan Program

1. If awarded a Federal Nursing Loan (FNL) a student must comply with all FNL requirements.
2. A student will be expected to fill out an application for the Federal Nursing Student Loan.
3. Each student approved for a Federal Nursing Loan must attend an entrance interview with a member of the Accounting Department personnel and the Financial Aid and Compliance Officer at St. John's College.
4. Upon graduation/withdraw a student must complete exit interview counseling.

Federal College Work Study Program

1. If awarded a Federal Work Study (FWS) grant a student will be required to attend orientation to the students work area.
2. A student is required to notify the work area supervisor and the Financial Aid and Compliance Officer, in writing, of any decision to withdraw from the FWS program during the semester that aid has been awarded.

Federal Supplemental Education Opportunity Grant Program

1. Students are awarded FSEOG based on their Expected Family Contribution (EFC). Students having a "0" EFC will be awarded first with awards being given to all students having Pell Grant eligibility as funding permits.

Financial Aid Drop Policy

Dropping a course is defined as a student who decides to withdraw from one (1) class while still enrolled in at least one (1) class. If you are considering dropping a course and you are a recipient of financial aid, you must consult the Financial Aid and Compliance Officer. The official drop/add period occurs during the first ten days of each semester. Both your enrollment status and your financial account statement may be impacted.

Students must be enrolled in six (6) credit hours in order to maintain financial aid eligibility. However, your financial aid eligibility may be reduced. If a student drops a class after the drop/add deadline and is enrolled in at least six (6) credit hours, you will not be credited for the tuition and fees of the courses that you dropped; therefore your financial aid may or may not be reduced.

Financial Aid Withdraw Policy

Official term withdraw is defined as a student's formal notification of his or her intent to withdraw from all courses for a term. A student's withdraw date is defined as the actual date the student submits information to student records to drop a course or courses. To officially withdraw from a course or courses, a student must provide official notice to the Admission Officer/Registrar electronically or in person. If you are considering withdrawing and you are a recipient of financial aid, you must consult the Financial Aid and Compliance Officer.

A federal financial aid recipient who does not officially withdraw from the term or abandons all courses will be considered as having completed 50% of the term for calculating the amount of aid to be returned to the federal government and will not be eligible for a refund.

Refunds for a complete withdraw (all courses) will be based on a pro rata percentage determined by dividing the number of calendar days in the semester that the student completed by the total number of calendar days in a semester. Students who withdraw after 60% of the semester has been completed are not entitled to a refund of charges.

Returning Federal Funds (R2T4)

To be fair and equitable to all students who withdraw from St. John's College, Department of Nursing, the Federal Return of Title IV Aid formula is used to determine the refund of tuition and fees a student is to receive even if no federal financial aid is involved. This formula is calculated by dividing the total number of days in class (official start date through official withdraw date), by the total number of days in the semester. Withdraws after 60% of the semester has lapsed will earn 100% of tuition and fees.

The federal formula mandates a return to Title IV aid if the student received federal financial assistance in the form of a Pell Grant, Federal Supplemental Education Opportunity Grant, Federal Stafford Student Loans, and Federal Plus loan. A statutory federal formula is applied to determine the amount of Title IV funds a student has earned at the "date of withdraw". Completion of withdraw procedures will automatically initiate calculation of refunds. Calculations of returns are performed by the Financial Aid and Compliance Officer in accordance to the Department of Education regulations.

Recipients of Title IV financial aid may owe all or part of their funds received including any refunds. All unearned financial aid funds will be returned to the granting agency. If any funds are remaining after the return of the Title IV aid, they will be used to repay state funds, private or institutional aid. All aid sources will be repaid before any funds are returned to the student. An administrative fee of up to 5% of school charges or \$100 (whichever is less) will be calculated against all refunds. A final bill will notate funds earned, returned, and as well as, any balances owed to the College. The Student is always responsible for miscellaneous charges to their account.

Drug Convictions & Financial Aid Eligibility

Under the Higher Education Act, students become ineligible for federal student aid upon conviction during any period of enrollment of any offense involving the possession or sale of illegal drugs. Federal aid includes Federal Stafford Loans, Federal PLUS Loans, Federal Pell Grants, Federal Supplemental Educational Opportunity Grants, Federal College Work Study, and Federal Nursing Student Loans.

Penalties for Drug Convictions

Possession of Illegal Drugs:

1. First Offense: 1 year from the date of conviction
2. Second Offense: 2 years from the date of conviction
3. Third and Subsequent Offenses: Indefinite ineligibility from the date of conviction.

Sale of Illegal Drugs:

1. First Offense: 2 years from the date of conviction
2. Second and Subsequent Offenses: Indefinite ineligibility from the date of conviction.

How to Regain Eligibility

If a student successfully completes a drug rehabilitation program, he or she can regain eligibility for federal student aid funds as of the day the student successfully completes the program.

To be sufficient to reinstate financial aid eligibility, the program must include at least two unannounced drug tests and satisfy at least one of the following requirements:

1. Be qualified to receive funds directly or indirectly from a federal, state, or local government program.
2. Be qualified to receive payment directly or indirectly from a federally-or state-licensed insurance company.
3. Be administered or recognized by federal, state, or local government agency or court.
4. Be administered or recognized by a federally- or state-licensed hospital, health clinic, or medical doctor.

Free Application for Federal Student Aid (FAFSA)

Question 23 on the FAFSA form asks if the student has ever been convicted of a drug related offense. Students are responsible for self-certification in applying for aid that he or she is eligible for it. Federal Student Aid regulations state that convictions only count if they were for an offense that occurred during a period of enrollment for which the student was receiving Federal Student Aid – they do not count if the offense was not during such a period. In addition, a conviction that was reversed, set aside, or removed from the students record does not count, nor does one received when he or she was a juvenile, unless he or she was tried as an adult.

If a student or parent purposely provides false or misleading information, he or she could be fined up to \$20,000, sent to prison, or both.

Convictions during Enrollment

According to the United States Department of Education, if a student is convicted of a drug offense after receiving Federal aid, he or she must notify Financial Aid Services immediately and that student will be ineligible for further aid and required to pay back all aid received after the conviction.

FINANCIAL AID OFFICE STUDENT'S RIGHTS & RESPONSIBILITIES

You have the right to:

1. Be advised of what financial aid programs are available and how to apply for them;
2. Be advised of requirements in the case of withdraw, refunds, and repayment of financial aid;
3. Have all application information treated with the highest professional confidentiality;
4. Be advised of the procedures and deadlines for submitting applications for financial aid;
5. Be advised of the selection criteria for financial aid recipients;
6. Be advised of how and when financial aid funds are disbursed;
7. Request a review of your aid package if you believe a mistake has been made, or if your enrollment status or family and/or financial circumstances have changed;
8. Be advised of how the school determines whether you are making satisfactory progress for financial aid, and what happens if you are not;
9. Be advised of campus security and crime statistics.

You have the responsibility to:

1. Establish plans to meet your educational and living expenses;
2. Submit all forms required to complete the application process in a timely and accurate manner;
3. Read, understand, and retain copies of all information and/or forms that are sent to you, or that you must sign;
4. Keep St. John's College, Department of Nursing, informed of any change of address, name or marital status while you are a student, and until all loans have been repaid in full;
5. Notify the Office of Student Financial Assistance of all sources of funds you receive that are not already showing on your Award Letter;
6. Maintain satisfactory academic progress;
7. Satisfactorily perform any work assignments accepted through student employment programs.

FINANCIAL AID SERVICES CODE OF CONDUCT

St. John's College, Department of Nursing Financial Aid Services employees are expected to maintain the highest standards of conduct in all aspects of the administration of their duties, specifically including all duties conducted in dealing with any entity involved in any way with financial assistance. This pertains regardless of whether said entities are involved in a government sponsored, subsidized or regulated activity.

Any St. John's College employee who is either directly involved with financial assistance or indirectly involved with financial assistance should:

1. Never take any action for his or her personal gain or benefit.
2. Never take any action that he or she believes is or might be contrary to law, regulation, or the best interests of the students and parents we serve.
3. In every circumstance, ensure that the information given to students and parents is accurate and unbiased and does not reflect any preference arising from actual or potential personal or institutional gain.
4. In every instance be objective in making decisions and advising the college regarding any institution involved in any aspect of student financial assistance.
5. Never solicit or accept anything from an entity involved in the making, holding, consolidating or processing of any student loans, including anything of value, including reimbursement of expenses for serving on an advisory board or as part of a training activity of or sponsored by any such entity.
6. Always disclose to the college any involvement with or interest in any entity involved in any aspect of financial aid.

STATEMENT OF FINANCIAL AID ETHICAL PRINCIPLES

St. John's College, Department of Nursing adheres to the National Association of Student Financial Aid Administrators (NASFAA) Statement of Ethical Principles which is denoted below: The Statement provides that financial aid professionals shall:

1. Be committed to removing financial barriers for those who wish to pursue postsecondary learning.
2. Make every effort to assist students with financial need.
3. Be aware of the issues affecting students and advocate their interests at the institutional, state, and federal levels.
4. Support efforts to encourage students, as early as the elementary grades, to aspire to and plan for education beyond high school.
5. Educate students and families through quality consumer information.
6. Respect the dignity and protect the privacy of students, and ensure the confidentiality of student records and personal circumstances.
7. Ensure equity by applying all need analysis formulas consistently across the institution's full population of student financial aid applicants.
8. Provide services that do not discriminate on the basis of race, gender, ethnicity, sexual orientation, religion, disability, age, or economic status.
9. Recognize the need for professional development and continuing education opportunities.
10. Promote the free expression of ideas and opinions, and foster respect for diverse viewpoints within the profession.
11. Commit to the highest level of ethical behavior and refrain from conflict of interest or the perception thereof.
12. Maintain the highest level of professionalism, reflecting a commitment to the goals of the National Association of Student Financial Aid Administrators.

Financial Aid Services Disclosures

Prohibition Against Remuneration to St. John's College

St. John's College will not solicit, accept or agree to accept anything of value from any Lending Institution, Guarantee Agency or Servicer in exchange for any advantage or consideration provided by the Lending Institution related to its student loan activity. This prohibition covers, but is not limited to:

1. Revenue Sharing Agreements
2. Any computer hardware which St. John's College pays below market prices
3. Any computer software used to manage loans unless the software can manage disbursements from all lenders
4. Any printing costs, postage or services

This does not prevent St. John's College from soliciting, accepting or agreeing to favorable terms and conditions where the benefit is made directly to student borrowers.

Prohibition Against Remuneration to St. John's College Employees

St. John's College will require and enforce that no officer, trustee, director, employee or agent of the college will accept anything more than a nominal value on his or her own behalf or on behalf of another during any 12-month period from, or on behalf of any Lending Institution, Guarantee Agency or Servicer.

This prohibition will include, but not be limited to a ban on any payment or reimbursement from any Lending Institution, Guarantee Agency or Servicer to college employees for lodging, meals or travel to conferences or training seminars.

This does not preclude any officer, trustee, director, employee or agent of the college from receiving compensation for conducting non-college business with a Lending Institution, Guarantee Agency or Servicer or from accepting compensation that is offered to the general public.

This prohibition does not prevent the college from holding membership in any nonprofit professional associations.

Ban on Gifts

No St. John's College employee involved in the affairs of the college's Financial Aid Office shall solicit or accept any gift from a lender, guarantor, or servicer of education loans.

"Gifts" are defined as but not limited to: any type of gratuity, favor, discount, entertainment, hospitality, loan, or other item having more than a token monetary value. The term includes a gift of services, transportation, lodging, or meals, whether provided in kind, by purchase of a ticket, payment in advance or reimbursement after the expense has been incurred.

The following items would not be considered as "gifts":

1. Standard material, activities, or programs on issues related to a loan, default aversion, default prevention, or financial literacy, such as a brochure, a workshop, or training.
2. Food, refreshments, training, or informational material furnished to any officer, trustee, director or college employee, as an integral part of a training session that is designed to improve the service of a lender, guarantor, or servicer of education loans to the institution, if such training contributes to the professional development of the officer, trustee, director or employee.
3. Favorable terms, conditions, and borrower benefits on an education loan provided to a student employed by the institution if such terms, conditions, or benefits are comparable to those provided to all students of the institution.
4. Entrance and exit counseling services provided to borrowers to meet the institutions responsibilities for entrance and exit counseling as required..."as long as":
 - a. the institution's staff is in control of the counseling (and)
 - b. such counseling does not promote the products or services of any specific lender.
5. Philanthropic contributions that is unrelated to education loans or any contribution not made in exchange for any advantage related to education loans.
6. State education grants, scholarships, or financial aid funds administered by or on behalf of a State.

Ban on Gifts to Family Members

Gifts to family members of any officer, trustee, director or college employee will be considered a gift to said any officer, trustee, director or college employee if:

1. the gift is given with the knowledge and acquiescence of the officer, trustee, director or college employee (and)
2. the officer, trustee, director or college employee has reason to believe the gift was given because of the official position of said officer, trustee, director or college employee

Limits of College Employees Participating on Lender Advisory Boards

St. John's College will require and enforce that no officer, trustee, director or employee of the college from receiving any remuneration for serving as a member or participant of an advisory board of any Lending Institution, Guarantee Agency or Servicer or receiving any reimbursement of expenses from said participation.

This does not preclude any officer, trustee, director or employee from participating on any lender advisory board that are unrelated to student loans.

This does not preclude any St. John's College employee not involved in the affairs of the college's financial aid office from serving on the Board of Directors of a publicly traded or privately held company.

Contracting Arrangements Prohibited

Any officer, trustee, director or employee is prohibited from accepting any payments of any kind from a lender in exchange for any type of consulting services related to educational loans.

1. This does not prevent anyone else in the institution that has nothing to do with student loans from entering into these agreements.
2. This does not prevent anyone not employed in the Financial Aid Office who has "some" responsibility for student loans from entering into these agreements if that individual in writing, renounces him or herself from any decision regarding educational loans.
3. This does not prevent anybody from serving on a Board of Directors or trustee of an institution if the individual renounces him or herself from any decision regarding educational loans.

Revenue Sharing Agreements Prohibited

St. John's College will not enter any revenue sharing agreement where:

1. a lender provides or issues a loan that is made, insured, or guaranteed under this title to students attending the institution or to the families of such students; and
2. the institution recommends the lender and in exchange the lender pays a fee or provides other material benefits

Prohibition on Offers of Funds for Private Loans

St. John's College will not request or accept any agreement or offer of funds for private loans in exchange for concessions or promises of:

1. a specified number of loans made, insured or guaranteed
2. a specified loan volume
3. a preferred lender arrangement

Ban on Staffing Assistance

St. John's College will not request or accept from any lender any assistance with call center staffing or financial aid office staffing.

This does not include:

1. Professional development training for financial aid administrators.
2. Educational counseling materials, financial literacy materials, or debt management materials to borrowers, provided that such materials disclose to borrowers the identification of any lender that assisted in preparing or providing such materials.
3. Staffing services on a short-term, nonrecurring basis to assist the institution with financial aid-related functions during emergencies, including State declared or federally declared natural disasters.

Interaction with Borrowers

St. John's College participates in the Wm. D. Ford Direct Loan Program and all student and parent borrowers are packaged under that program. In respect to alternative loans:

1. St. John's College will not, for any first-time borrower, assign, through award packaging or other methods, the borrower's loan to a particular lender.
2. St. John's College will not refuse to certify, or delay certification of, any alternative loan based on the borrower's selection of a particular lender.

BURSAR POLICIES

Student Charges

Following the registration process students will receive a Statement of Student Account in the mail. This statement is a billing summary that details semester charges of tuition, fees, and any other miscellaneous charges. Please make sure that your mailing address remains current to ensure that you receive all official correspondence from St. John's College, Department of Nursing.

Fixed Tuition Rates

In order to allow for responsible fiscal planning strategies by students and their families, St. John's College of Nursing has implemented a fixed tuition rate policy. Tuition and fees are set each spring by the College Board of Directors for new students entering their first academic term with the college. Once these tuition and fees are set, they become fixed and are not subject to any increases. The College locks these rates for the length of the student's academic program plus one academic year. For both the Traditional and Accelerated Pre-Licensure program, the published academic program length is two academic years. Therefore, the total length of the tuition freeze is 3 academic years.

Payment Responsibilities & Options

Students are expected to secure financial agreements by the first day of each semester. St. John's College provides an optional payment plan which allows students to spread payment of tuition and mandatory fees over 4 installments. Any student may participate in the payment plan. For details and enrollment deadlines contact the Bursar at 217/525-5628, ext. 45165.

Students who do not meet the required deadline for payment of tuition or who fail to make agreed upon payments as outlined in an established payment plan, may be subject to having classes cancelled for nonpayment. Additional restrictions include being placed on a registration hold. Any student whose account is placed on a registration hold cannot register for classes or receive financial aid for the following semester.

All financial obligations to the College must be met before a transcript of credit or grades will be released. References will not be sent and no papers will be signed for a student whose account is delinquent.

Students who wish to apply for Federal and State Financial Assistance to aid in the payment of tuition and fees should refer to the Financial Aid section of this catalog for details.

Payment of Fines

All fines must be paid within five days from the date they were incurred. Students who do not meet the required deadline for payment of fines, may be subject to having classes cancelled for nonpayment. Additional restrictions include being placed on a registration hold. Any student whose account is placed on registration hold cannot register or receive financial aid for the following semester.

All financial obligations to the College must be met before a transcript of credit or grades will be released. References will not be sent and no papers will be signed for a student whose account is delinquent.

ACADEMIC ADVISING

Academic Advisement Philosophy

Academic advising at St. John's College is an integral part of the Mission of the College as it strives to meet its underlying objective of student growth and development. In this way, graduates are better able to become wholistic practitioners who visualize learning as a lifelong endeavor. Within an environment that nurtures collegial relationships that are caring and promotes the culture of higher learning, advisement becomes a process that not only assists students to develop but to think critically. Critical thinking, in turn, enhances the efforts of each individual in the planning, clarifying and evaluating of academic, life, and career goals. The academic advisor will interact with the student in a manner congruent with the caring philosophy of the College. The advisor is expected to be sensitive to the lived experiences and developmental level of students as they are socialized to the nature of professional education. Advisors should have knowledge not only of the process, but also of the resources available for advisement purposes, the confidential nature of the advisement interaction, and the generational characteristics of the person being advised. Both advisors and advisees share responsibility for making the advisement relationship effective. The ultimate responsibility for decision-making rests with the individual student. The continuous process of advisement encourages the student to broaden their capacity for creative, analytical and ethical reasoning as they make choices throughout their development. It is viewed that an effective academic advisement program promotes student retention as well as academic and professional success. This, in turn, encourages graduates who exemplify the College Mission and who are prepared to become responsible practitioners and citizens.

Objectives of the advisement program are to:

1. Promote an open, caring environment conducive to the intellectual, social, moral, spiritual and professional development of students that fosters communication, self-exploration, values clarification and decision-making.
2. Provide accurate information about educational options and institutional requirements in order to develop an academic plan.
3. Enhance student learning and academic achievement.
4. Increase student awareness of available educational and other resources that may assist in the implementation of their educational plan and career goals.
5. Enhance the quality and effectiveness of the academic advisement program.

Academic advising for problems encountered in meeting course requirements or obtaining a grade of C or better is provided by faculty, the Student Development Officer or the Dean of Academic Affairs.

Definitions:

Faculty Academic Advisor

A faculty advisor will be a member of the College faculty who has been teaching at St. John's College at least one academic year and has completed the orientation program for this role. Participation by the faculty in the academic advisement program will be included in the faculty evaluation criteria.

Advisement Process

The advising process is a multi-faceted activity which should assist each student in realizing the educational benefits available. The advisor accomplishes this goal by:

1. Assisting the student in exploring career and life goals, with referral to other resources as needed.
2. Assisting the student in effecting an educational plan consistent with goals and abilities.
3. Assisting the student in a periodic evaluation of progress toward established educational goals.
4. Actively participating in the ongoing evaluation of College's academic advisement program.

Advisee Responsibilities

A student advisee will be expected to know the requirements, procedures and policies set forth in the college catalog and student handbook. Administrative staff and advisors will assist the student by clarifying these requirements; however, the ultimate responsibility for awareness of degree requirements and for making decisions about life goals rests with the student.

The student advisee has the following responsibilities:

1. Contact and establish rapport with the assigned advisor.
2. Contact the advisor at least twice during each semester, once during the first three weeks of a semester and again just prior to registration for the following semester.
3. Arrange and keep appointments and call in a timely manner if it is necessary to reschedule or cancel an appointment.
4. Clarify personal values and goals.
5. Prepare for an advisement conference by having the necessary materials, forms and a tentative academic plan for course work.
6. Attend an advisement conference with specific questions in mind.
7. Keep personal copies of schedules and other important information regarding academic progress such as the cumulative advisee form with course grades and NLN scores.
8. Take the initiative to consult with the advisor as soon as possible when academic difficulty arises or as course changes are necessary.
9. Be knowledgeable about policies, procedures and requirements of St. John's College.
10. Accept responsibility for academic and personal decisions.
11. Evaluate advisor and advisement program annually.
12. Contact the admissions officer/registrar if there is a need to discuss a possible change to another advisor.

13. Recognize learning as a lifelong process.
14. Explore how the nature of higher education contributes to professional development
15. Maintain frequent contact with faculty who teaches a course in which you may be having difficulty.
16. In collaboration with course faculty, when needed, establish action steps for improvement and regular assessment intervals for low academic achievement.

How to See Your Advisor

1. Become familiar with your advisor's office hours/schedule.
2. Whenever possible, call or make a written request for an appointment rather than dropping in without one.
3. If it is necessary to drop in without an appointment, allow plenty of time in case you have to wait to see your advisor.
4. Since the first and last two weeks are the busiest for your advisor, schedule longer conferences during the middle part of the semester.

How You and Your Faculty Advisor Should Work Together

Students are assigned to a faculty advisor when admitted to St. John's College. To maximize the experience the following suggestions are offered:

1. You should: Contact and keep in touch with your advisor.
Your advisor should: Post office hours
2. You should: Make and keep appointments or call if it is necessary to change or cancel an appointment.
Your advisor should: Keep appointments or call if it is necessary to change or cancel an appointment.
3. You should: Come with specific questions in mind.
Your advisor should: Provide accurate and specific information.
4. You should: Come with necessary materials (tentative academic plan; forms).
Your advisor should: Have on hand course resource materials.
5. You should: Ask about other sources of information.
Your advisor should: Suggest other sources of information.
6. You should: Be open concerning school work, study habits, academic performance.
Your advisor should: Listen to you and help you solve problems.
7. You should: Build a schedule free of conflicts (part-time progression, course sequence.)
Your advisor should: Check your schedule for appropriate selection of courses.
8. You should: Make decisions concerning careers, and selection of courses.
Your advisor should: Suggest options concerning careers, and selection of courses, electives

When To See Your Advisor

1. To discuss any problems which affect academic performance
2. To select courses for the upcoming semester (during registration).
3. To add or drop courses (during registration).
4. To discuss academic progress.
5. To file an academic plan (full-time, part-time).
6. To discuss career considerations.

Adapted from How You and Your Advisor Will Work Together by the Undergraduate Advising Center at the University of Iowa, July 1981. Houston Baptist University Academic Advising Handbook, 1995-96.

Referral Forms

Referral forms are initiated by College faculty or administration. Referral forms are used to assure students obtain proper counseling. These forms must be completed and then signed by the student before they are routed to the appropriate College staff. To maintain confidentiality, the person initiating the form must assure access to this information is limited to the student and those designated to receive it.

HEALTH SERVICES

The St. John's Employee Health Nurse maintains daytime hours of operation Monday through Friday as posted. At other times, students may visit the hospital emergency room and should notify the health nurse as soon as possible. Students may also contact their family physician or other physicians of their choice. After school hours students should use the Emergency Room or their private physician for care.

Report of health examinations are kept by the health nurse. A record is maintained by the Employee Health Nurse regarding student counseling for non-academic matters related to preventive health care. Students should register as outpatients before any treatment, tests or examinations made in the hospital.

Students absent from classes or clinical experiences must report their illness to the College. After a serious illness, students must secure permission to return from the employee health nurse. The permission, in writing, must be given to the Student Development Officer before returning to class or clinical area.

The College is not responsible for accidents unless they occur during scheduled clinical experience. Injury incurred on duty is to be reported to the clinical instructor at once and to the Employee Health Nurse later. An incident report is to be completed before leaving the clinical site. To report an event, follow instructions according to the agency's policy.

If the accident occurs in the College, the student reports to the St. John's Employee Health Nurse.

The annual health fee will cover only routine services offered. The student and family are responsible for all other health costs, such as all prescriptions, treatments, x-rays, surgeries, emergency or outpatient charges and hospitalization. All students are required to be protected by health insurance. Proof of current coverage must be submitted **annually**. Students not in compliance with this policy will forfeit their clinical experience until they resolve their compliance issue.

Students are urged to avoid self-medication and giving medications to other students. Students are not permitted to take medications from the clinical facilities for personal use.

Immunizations

In accordance with Illinois Law (Public Act) 85-1315 and St. John's College clinical agency agreements all students enrolled at St. John's College, Department of Nursing are required to provide proof of immunity. All students entering the Nursing Program are expected to be in compliance with all Health Requirements. These requirements include, but are not limited to the following: immunizations, a health physical evaluation, blood titers, TB screening, annual flu vaccine, work test, fit test, and drug test. Those students not in compliance with these requirements by the specified timeframes will be prevented from attending theory courses and/or clinical placements until deficiencies are completed.

Chronic Communicable Illness

The College will treat all enrolled students having a chronic communicable illness with dignity, compassion, and understanding. The student with a chronic communicable illness will be subject to general school policies regarding continued status in the school, availability of health services and confidentiality. The College will comply with all applicable federal, state and local laws and regulations as well as reporting requirements in the consideration of students with chronic communicable illness. Students will not routinely be tested for the AIDS antibody. In special cases (such as possible high risk history), the test may be performed, but never without a prior written consent.

All students should understand that they will be expected to provide care or to perform student related duties for patients who have a communicable disease. The College will ensure that appropriate education regarding precautions as they relate to care of such patients is provided.

INCLEMENT WEATHER STATEMENT

In the event of severe weather conditions, the Administration may make the decision to cancel all classes and clinical practicum experience. The Administration will notify WNNS and WFMB radio stations and WICS TV of this decision and request they broadcast it. SJC Emergency Operation Plan is available at the reception desk.

ACCREDITING/APPROVAL BODIES

St. John's College is accredited by The Higher Learning Commission, Address: 230 South LaSalle Street, Suite 7-500, Chicago, IL 60604-1413, (312) 263-0456, <http://www.ncahlc.org>.

The nursing program is accredited with the Accreditation Commission for Education in Nursing (ACEN), 3343 Peachtree Road NE, Suite 850. Atlanta, Georgia 30326, (404) 975-5000, <http://www.acenursing.org/>

The College is approved by the Illinois Board of Higher Education and the Illinois Department of Professional Regulation to grant the baccalaureate degree in nursing. It is also approved by the State Agency for Veteran's Benefits and the Montgomery G.I. Bill.

Enrolled students may file a complaint with the above accrediting/approval bodies if they believe the College has failed to comply with college policies.

Wisconsin Student Addendum

An additional group of policies that are specific to residents of the state of Wisconsin are listed in this addendum. This information is necessary to maintain compliance with standards established by the Wisconsin Educational Approval Board.

Academic/Student Records

While a student is enrolled, the College maintains student records which contain both academic and financial information. Academic records contain the following information: evidence of compliance with all admission criteria including prior transcripts, course grades, attendance, and documentation of any confirmed academic or social violations or student grievances. Financial records contain information on program costs, method and amount of payment, lender records, and refund calculations, if applicable. Once a student is no longer enrolled in the program, financial aid documents are retained for a minimum of 6 years as required by WI statute, and transcripts are retained permanently.

Admissions Programs: RN-BSN Baccalaureate Program

Applicants who meet the admission criteria and core performance standards are accepted into the program without regard to race, color, religion, sex, national origin, ancestry, age, marital status, handicap or veteran status on a space available basis throughout the year. Applicants are expected to exemplify good character enabling them to actively seek the moral, intellectual and professional growth described in the mission statement of the College. Students are encouraged to recognize that submission of minimum acceptance requirements does not guarantee acceptance into the program. While applications are accepted and reviewed throughout the year, on a rolling basis, applicants are encouraged to apply early due to the competitiveness of acceptance. Applicants are notified of their acceptance in writing no later than 60 days before the program start date. Program start dates are in January and August.

Attendance Policy

Student participation in planned clinical and theoretical learning experiences is expected. Any clinical absence will be addressed by the course faculty. Excessive absenteeism is defined as missing more than 10% of the course clinical hours. The consequence of a clinical absence will be determined by the course faculty in concert with the course chair. FACULTY HAVE THE AUTHORIZATION TO FAIL THE STUDENT FOR EXCESSIVE ABSENTEEISM.

St. John's College faculty believes students are active participants in their learning. Failure to notify the faculty of absence in clinical will be addressed by course faculty. Makeup of missed examinations and clinical incompletes are at the discretion of course faculty.

Faculty will record attendance for all face to face theory sessions and will enter this information into the College's learning management system. If a student misses more than half of a

classroom session (by being tardy or by leaving early,) the faculty will record this as partial attendance for that classroom session.

For students enrolled in distance learning courses, attendance is monitored by noting dates that students have accessed the College's learning management system. The last date that a student has logged in to the learning management system will be counted as the last date that the student has attended the course.

Cancellation and Refunds

St. John's College does not require students to complete a binding enrollment agreement/contract. Students are asked to sign intent to enroll form upon notice of acceptance to the program and to submit a \$250 tuition deposit at that time. Per Wisconsin state statute, students are entitled to cancel their enrollment without penalty within 3 business days of enrollment. Students who chose to exercise the cancellation privilege will receive a full refund of their tuition deposit within 10 business days.

A student who withdraws or is dismissed before completing 60% of the units of instruction (hours) in the current enrollment period is entitled to a pro rata refund of any money paid by the student.

Pro rata refund shall be determined as the number of hours remaining after the last hour completed by the student, divided by the total number of hours in the enrollment period, rounded downward to the nearest 10%. Pro rata refund is the resulting percent applied to the total tuition and other costs paid by the student for the current enrollment period. All efforts will be made to refund prepaid amounts for books, supplies, or other charges unless the student has consumed or used those items and they can no longer be returned to the supplier.

Students who withdraw after 60% of the hours for the enrollment period have been completed, are not entitled to a refund.

Refunds will be sent by certified mail to the student's last known address within 40 days of the effective date of termination.

Career Planning and Placement Services

Students are exposed to various nursing roles and potential opportunities for careers throughout their educational process. Information regarding career paths and educational opportunities is distributed to both faculty advisors and students through presentations, electronic media, and bulletin board displays.

The College does not offer any placement or employment services and does not guarantee employment for students or graduates.

Grade Reports

Grade reports are issued to the student by mail within 15 working days after the close of the semester.

Student Complaints

Issues of concern to students should be discussed with the appropriate person within the College. Students should initially discuss the issue with the staff or faculty member closest to the problem or to the appropriate person as identified in the Student Handbook or College Catalog. If uncertain, the student may approach their assigned faculty advisor or the Student Development Officer. Issues that cannot be resolved through these channels should be submitted in writing to the Dean of Academic Affairs or Chancellor. Only signed comments will be addressed.

If a student is unable to resolve a complaint directly with the College, the student may file a complaint with the Wisconsin Educational Approval Board (EAB), 201 West Washington Ave, 3rd floor, Madison, WI 53703. The EAB may be contacted by phone at 608-266-1996 or email at eabmail@eab.wisconsin.gov. A copy of a complaint form can be found on the EAB website at <http://eab.state.wi.us>.

Textbooks and Course Materials

Textbook requirements are posted on the College website for all RN-BSN courses. Students can purchase their books at any book retailer. The college will post isbn numbers and approximate new prices for books during course registration for each semester.

Withdraw Procedures

Dropping a course is defined as withdrawing from one class while remaining enrolled in at least one other course. Students who are receiving financial aid and are considering dropping a course are required to consult their Advisor and the Financial Aid Officer as enrollment status and financial aid may be impacted. The official drop/add period occurs during the first ten days of each semester for all programs except the RN-BSN program. Because the RN-BSN courses are 8 weeks long, the official drop/add period is during the first five days of the course.

Term withdraw is defined as withdraw from all courses for a term.

For distance learning students, a student's drop or withdraw date is defined as the actual date the student submits written notification of intent to drop/withdraw OR 5 calendar days following the date of last access of the learning management system.

Course Descriptions

Junior Pre-Licensure Courses

NSG 333 Adult Health Assessment 4 (3 T/1L)

Adult Health Assessment is an introductory course that is designed to familiarize the student with the theory and skills that encompass a wholistic, patient centered, adult health assessment. This assessment begins with the “normal” assessment findings but also stresses the recognition of abnormal findings. Students learn basic patient-centered communication, as well as, interprofessional communication skills that will help to ensure safe patient care. Faculty introduce evidence-based practice that includes interventions to promote health and prevent morbidity and mortality. The learning environment will include application of concepts via the use of classroom, simulation, laboratory practice and the clinical arena which culminates a successful demonstration of a comprehensive health assessment.

Prerequisite: Final Acceptance to the Program

NSG 334 Nursing Informatics 3 (3T)

Nursing informatics is an introductory course that is designed to examine informatics within the healthcare profession and to focus on trends, informatics theories, impact of human factors, systems analysis, and design approaches. This course is the foundation for students to become proficient in nursing inquiry. The learning environment will include application of concepts via the use of classroom, library, and technology.

Prerequisite: Final Acceptance to the Program

NSG 336 Medical Surgical Nursing I 6 (4 T/2C)

Medical-Surgical Nursing I is an introduction to the fundamental concepts of medical surgical nursing. Students are introduced to an evidence-based practice framework with an emphasis on learning the principles of safety and quality. Initial exposure to critical reasoning will be developed through the use of critical thinking skills. Professional nursing roles are explored with special attention to communication and caring. The learning environment includes application of concepts via the use of classroom, simulation, laboratory practice, and the clinical arena.

Prerequisite: Final Acceptance to the Program

NSG 338 Pathophysiology/Pharmacology Nursing I 2 (2T)

Pathophysiology /Pharmacology Nursing I is an introductory course that discusses pathophysiologic processes that allow the students to integrate the liberal arts education with fundamental principles related to alterations in health.

Pharmacologic principles are correlated with alterations in health in order to develop the students' knowledge regarding the basis for treatment modalities. This introductory course focuses on principles related to general health status. The learning environment will include application of concepts via the use of classroom and technology.

Prerequisite: Final Acceptance to the Program

NSG 343 Diverse Populations I 5 (3T/2C)

Diverse Populations I explores concepts related to the health needs of mental health populations across the lifespan and the special needs of the geriatric population. Students utilize an evidence-based practice framework with an emphasis on the principles of safety, quality, and patient-centered collaborative nursing care for these vulnerable populations.

There is a special focus on therapeutic communication across the lifespan as related to the geriatric population and patients with mental health needs. Critical reasoning is utilized while examining the wholistic needs of the geriatric and mental health patient. The course is organized around the principles of wholistic nursing which assist the individual/family to adapt, recover, and grow. The learning environment includes application of concepts via the use of classroom, simulation, and the clinical arena.

Prerequisite: Medical-Surgical Nursing I, Pathophysiology/Pharmacology I, Adult Health Assessment, Nursing Informatics.

NSG 344 Nursing Inquiry 3 (3T)

Nursing Inquiry is an introductory course that is designed to teach the student the foundation in the principles of nursing research that leads to the ability to utilize evidence in nursing practice. The course will begin with the steps of the research process and follow with examining the interrelationship among theory, research, and practice. The course will also allow the student to develop the skills of critical reasoning in order to appraise scientific data. The learning environment will include application of concepts via the use of classroom, library and technology.

Prerequisite: Accelerated Pre-licensure Students: Concurrent enrollment Medical-Surgical Nursing I, Pathophysiology/Pharmacology I, Adult Health Assessment, and Nursing Informatics. General Pre-licensure Students: prior enrollment of enrollment Medical-Surgical Nursing I, Pathophysiology/Pharmacology I, Adult Health Assessment, Nursing Informatics with permission of the Dean of Academic Affairs and the Course Chair.

NSG 346 Medical Surgical Nursing II 6 (4T/2C)

Medical-Surgical Nursing II is designed to build upon the concepts of Medical-Surgical Nursing I. It is intended to deepen the development of clinical reasoning when caring for adult patients with acute and chronic health concerns through the application of evidence-based practice and patient-centered care. Professional nursing roles are further developed with emphasis on inter-professional communication and collaboration. The learning environment includes application of concepts via the use of classroom, simulation, laboratory practice, and the clinical arena.

Prerequisite: Medical-Surgical Nursing I, Pathophysiology/Pharmacology I, Adult Health Assessment, Nursing Informatics.

NSG 348 Pathophysiology/Pharmacology Nursing II 2 (2T)

Pathophysiology/Pharmacology Nursing II course builds on the principles discussed in Pathophysiology/Pharmacology Nursing I. Students integrate the liberal arts and science education with pathophysiologic principles related to alterations in health. Pharmacological principles are correlated with these health alterations in order to assist the student to understand the basis for treatment modalities. This course focuses on the principles related to uncomplicated acute and chronic health concerns. The learning environment will include application of concepts via the use of classroom and technology.

Prerequisite: Medical-Surgical Nursing I, Pathophysiology/Pharmacology I, Adult Health Assessment, Nursing Informatics.

Senior Pre-Licensure Courses

NSG 433 Diverse Populations II 5 (3T/2C)

Diverse Populations II explores the concepts related to women's health and the pediatric patient. Students utilize an evidence-based practice framework with an emphasis on learning the principles of safety and quality with a special focus on family-centered care. Critical reasoning is further developed while examining the wholistic needs of these populations. The course is organized around the principles of wholistic nursing and collaborative care which assist the individual/family to adapt, recover, and grow. The learning environment includes application of concepts via the use of classroom, simulation, and the clinical arena. * This course is taken in the spring of the junior year for the accelerated cohort.

Prerequisite: General Pre-licensure Students: Medical-Surgical Nursing II, Pathophysiology/Pharmacology II, Diverse Populations I, Nursing Inquiry. Accelerated Pre-licensure Students: Concurrent enrollment Medical-Surgical Nursing II, Pathophysiology/Pharmacology II, Diverse Populations.

NSG 434 Ethical Issues in Nursing Practice 3 (3T)

Ethical Issues in Nursing Practice is a senior level course that is designed to stimulate moral awareness versed in ethical theories and principles, develop skills in ethical decision making, and explore political, professional, legal, social, global, genetic, and technological issues in contemporary nursing. The learning environment includes application of concepts via the use of classroom, library, and technology.

Prerequisite: Medical-Surgical Nursing II, Pathophysiology/Pharmacology II, Diverse Populations I, Nursing Inquiry or prior enrollment to these courses with permission of the Dean of Academic Affairs and the Course Chair

NSG 436 Medical Surgical Nursing III 7(4T/3C)

Medical-Surgical Nursing III is designed to further build upon the concepts of Medical-Surgical Nursing II. This course focuses on development of advanced nursing knowledge and critical reasoning in the care of high risk adult populations through the application of evidence-based practice and patient-centered care. Students become more autonomous in their development of the professional nursing roles within a culture of safety, quality, and interprofessional teamwork. Students are introduced to a variety of specialty areas and technology associated with the acutely ill medical-surgical patient requiring complex nursing management and collaborative care. The learning environment will include application of concepts via the use of classroom, simulation, laboratory practice, and the clinical arena.

Prerequisites: Medical-Surgical Nursing II, Pathophysiology/Pharmacology II, Diverse Populations I and prior to or concurrent enrollment of Diverse Populations II

NSG 438 Pathophysiology/Pharmacology Nursing III 2 (2T)

Pathophysiology/Pharmacology Nursing III builds upon the principles discussed in Pathophysiology/Pharmacology Nursing I. It discusses the pathophysiological processes that allow the students to integrate the liberal arts and science education with principles related to alterations in health. Pharmacological principles are correlated with these health alterations to support the student in understanding the basis for complex pharmacologic treatment modalities. This course focuses on the principles related to complicated acute and/or chronic health problems. The learning environment will include application of concepts via the use of classroom and technology.

Prerequisite: Medical-Surgical Nursing II, Pathophysiology/Pharmacology II, Diverse Populations I and prior to or concurrent enrollment of Diverse Populations II.

NSG 443 Community Health Nursing 6 (3T/3CI)

Community Health Nursing is a senior level course that is designed to prepare the generalist nursing student for entry-level community/public health nursing. Community resources, evidence-based practice, safety, communication, and culturally congruent care are emphasized in the awareness of the expanded professional nursing roles that are needed in the ever changing global environment. The learning environment will include application of concepts via the use of classroom, simulation, and the clinical arena.

Prerequisite: Medical-Surgical Nursing III, Pathophysiology/Pharmacology III, Diverse Populations I & II, Ethical Issues in Nursing Practice or prior enrollment with permission of the Dean of Academic Affairs and the Course Chair.

NSG 444 Transition to Practice 1 (1T)

Transition to Practice is a senior level course that is designed to assist students in reframing nursing content as they prepare to sit for the NCLEX-RN and enter practice. The course encourages students to synthesize knowledge from the art and science of their nursing education in order to confidently and competently enter professional practice. The course includes not only nursing content but also test-taking strategies and practice reviews. The course assists the student in refining their critical reasoning and communication skills based on best practices.

Prerequisite: Medical-Surgical Nursing III, Pathophysiology/Pharmacology III, Diverse Populations I & II, Ethical Issues in Nursing Practice

NSG 446 Professional Practice Immersion 8 (3T/ 5CI)

Professional Practice Immersion is a capstone course that assists the student to solidify critical reasoning in the care of a group of patients through the application of evidence-based practice and patient-centered care. This course is designed to encourage professional engagement in preparing the student for the transition to the roles of the professional nurse. Students will focus on utilizing evidence to recognize system improvement processes that will impact the quality and safety of patient outcomes. Attention will also be directed towards issues relating to contemporary nursing practice at the local, national, and global levels. The learning environment will include application of concepts via the use of classroom, simulation, and the clinical arena.

Prerequisite: Medical-Surgical Nursing III, Pathophysiology/Pharmacology III, Diverse Populations I & II, Ethical Issues in Nursing Practice

RN-BSN Courses

NSG 317 Introduction to Informatics in Nursing Practice 3 Credit Hours/ 8 weeks (3T)

Pre-requisites: BSN majors who have completed all lower division and admission requirements. The purpose of this course is to examine informatics within the healthcare profession and to focus on trends, informatics theories, and impact of human factors, systems analysis, and design approaches.

NSG 319 Introduction to Nursing Research 3 Credit Hours/8 Weeks (3T)

Introduction to Nursing Research emphasizes the role of the nurse as a critical consumer of research findings for the purpose of improving practice. The course explores methods used in formulating and conducting research on problems arising within health care.

**NSG 321 Health Assessment across the Lifespan to Promote Clinical Judgment 3 credit Hours/
8 weeks (2T/1L)**

The course focuses on wholistic health assessment of individuals across the life span. A background in the sciences and humanities contributes to the understanding of the biopsychosocial and spiritual nature of man. Students enhance their techniques and skills of interviewing, administering a comprehensive physical assessment and proper assessment documentation through learning modules and supervised experiences. Emphasis will also be given to nursing roles as collaborator, advocate and teacher.

NSG 323 Issues and Ethics in Contemporary Nursing Practice 3 semester hours/ 8 weeks (3T)

The purpose of this course is to stimulate moral awareness versed in ethical decision making & explore political, professional, legal, social, and global issues in contemporary nursing. The learner should reflect on their own lived experiences and be prepared to discuss detail their views about the weekly topics from readings, discussions, writing papers, and reading current literature.

NSG 325 Pathophysiology/Pharmacology to Advance Clinical Reasoning 3 Semester Hours / 8 weeks (3T)

This course introduces basic pathophysiologic concepts, relates these concepts to changes in normal functioning and presents opportunities to investigate relationships between pathophysiologic principles and disease presentations. This course requires correlation of pharmacologic principles and the therapeutic effect of drug therapy upon the pathophysiologic processes that are discussed.

NSG 435 Introduction to Evidence-Based Practice in Nursing Practice 3 Semester Hours/ 8 weeks (3T)

This course serves to cultivate a foundational understanding of the practice of evidence-based care. The focus is on evidence-based practice in nursing, through analysis of clinical decision making and exploring how to create a culture for evidence-based practice. It provides a theoretical and practical foundation for using various types of evidence to guide practice. The interaction of theory, research and clinical expertise in the development of evidence-based practice is examined.

Prerequisite: Introduction to Nursing Research

NSG 437 Community Health Nursing for the Public's Health 6 semester hours /8 weeks (3/3)

This course is designed to assist the student in synthesizing concepts and skills from liberal arts and nursing science and evaluating them for application to public health and community health nursing. Integration of critical thinking skills, change theory, and research findings are utilized in planning care for individuals, families, populations, and communities. Concepts of health promotion and maintenance are emphasized as they apply to diverse populations. Cultural, ethical, legal, socioeconomic, political, technological and epidemiological issues will be incorporated as they relate to the community as patient.

NSG 439 Leadership in Contemporary Nursing Practice 6 credit hours/ 8 weeks (3/3)

This course is designed to assist the learner to utilize principles of leadership in contemporary nursing practice. Theories of leadership and management are discussed as well as organizational group dynamics. The learner will utilize these theories in the nursing roles or leader/manager, collaborator/coordinator and change agent. The learner will incorporate principles of wholeness, caring, quality and safety into a leadership/manager role within the complexity of a health care system. Additionally, concern for patient-centered care fostering health promotion/maintenance and rehabilitation are stressed while advocating evidence-based care for groups of patients. Emphasis is placed on teamwork; inter professional collaboration, clinical reasoning and evidence-based nursing practice. Learners will reflect on their own ethical and professional development and explore ways of promoting professional behaviors in others. This course builds upon content learned in previous courses throughout the program and stems from the mission of St. John's College.
